## SAYS ADAMS IS ATTRACTIVE TO NEW INDUSTRY

Adams County is ideal for industry and should be able to attract many industries, Ronald H. Dunn, executive director of the York Industrial Corporation, told the industrial committee of the Gettysburg Chamber of Commerce at a luncheon Wednesday at the Lamp Post Tea Room.

Industry, he said, is generally moving from the larger cities to the smaller communities, and "industry has taken on a new appearance. You will find industry more conscious today of the community than the community itself when it comes to matters pertaining to modern buildings, beauty of surroundings, air and water pollution and general labor conditions."

Dunn, who has secured five new plants in 14 months in his job of obtaining new industry for York County, said industry helps a community in many ways, "but among the most important is what it adds to the tax base and the employment it makes available to your youth. We spend millions to educate our children and then have nothing for them to do when they come out of school. If an area is to prosper it must keep its young people, and to keep them you have to have jobs for them."

**Need County-wide Zoning**  
Adams County can be the equal of York County in its attractiveness to new industry, Dunn said. But he noted a number of things that must be done to help bring in new plants.

An important tool in securing new industry is county-wide zoning, he said. Industry generally prefers to go into an area where it will have protection, he said. "If industry is to grow it must expand and without zoning it often finds itself cramped for space when the time comes for growth."

He said the zoning action should be on a county-wide basis and he recommended that the search

## "SOIL WEEK" TO BE MARKED

A number of churches throughout Adams County will mark Soil Stewardship week at services Sunday and May 29, Clarence J. Waybright, chairman of the Adams County Soil Conservation District, announced today.

May 22 to 29 has been set aside as Soil Stewardship Week and observance is promoted by the County Soil Conservation district, according to Waybright, because "good stewardship of the Commonwealth's natural resources becomes increasingly important as Pennsylvania continues to grow. Each resident of the state has a living space of about three acres. In 50 years this space will shrink to two acres per person. And so will many of our other resources if we are not good stewards of the land."

In Adams County there are 1,100 landowners participating in the soil conservation district's program to conserve and manage the soil, water, woodland and wildlife resources of the state.

Waybright said evidence of good stewardship is to be found in the many acres of strip cropping, tree planting, productive grassland and other conservation practices. "These measures are protecting the land for this and future generations."

## Fine Dog Owners; Plan New Drive

Seven Adams Countians have paid fines and costs on charges of not having their dogs licensed, the district dog law enforcement officer announced today.

The charges were filed against Francis Thomas, Guy Miller, Martin Walter and Albert E. Kane, all of Biglerville R. 2; Raymond Bange, Hanover R. 4; James Walsh, York Springs, and George Shellehamer, East Berlin, before Justice of the Peace Elton Myers, Idaville.

The enforcement officer reported plans to bring five other officers into the county about May 30 to help conduct a drive against unlicensed dogs. The licenses were due January 15.

## DRIVER PAYS FINE

Bernard Rosensteel, 19, 47 Steinwehr Ave., paid a fine and costs of \$15 before Justice of the Peace Robert P. Snyder this morning and was released from the county jail where he had been placed after his arrest by state police Wednesday night on a reckless driving charge.

## WGET To Carry Ike's Arrival

WGET will carry the Mutual network's live broadcast of President Eisenhower's arrival at Andrews Air Force Base Friday afternoon from 3 to 3:30 o'clock and then will switch to Lafayette Park at 3:55 o'clock for the welcome celebration planned there for the President upon his return from Paris.

This evening WGET will broadcast at 5:05 o'clock, a roundtable discussion by Mutual network news analysts on the subject: "After the Summit, What?" Participating will be Cedric Foster, Fulton Lewis Jr. and Bill Costello with Steve McCormick serving as moderator.

## AIDES INSTALL WEDNESDAY AT ANNUAL DINNER

Miss Ruth McIlhenny was installed as the new captain for the Red Cross Nurses Aides at the annual banquet held by the group Wednesday evening at the Lamp Post Tearoom.

Mrs. Selmar Hess, the retiring captain, presided at the meeting at which the group unanimously adopted an amendment to its by-laws which will permit establishment of the position of co-captain. A nominating committee comprising Mrs. Francis Mason and Mrs. Joseph H. Riley was appointed to select nominees for the new post and report at the September meeting to be held at the home of Miss McIlhenny on W. Lincoln Ave.

Other officers installed Wednesday night were Mrs. Harry Moser, treasurer, and Mrs. James Treas, secretary.

## Reports On Meetings

Mrs. John Eisenhower reported on the national Red Cross convention at which she represented the local chapter at Kansas City this week. She told of a seminar on natural disaster control and gave a report on a new nursing instruction for volunteer aides dealing with radiation burns and first aid which will begin in the fall. She also reported on her representation of the Red Cross at a Civil Defense exercise here.

Mrs. Ira Henderson reported on a national defense meeting at which she represented the local group at Washington, D. C.

Mrs. LeRoy Winebrenner, chairman of the volunteer aide program at the Warner Hospital, expressed her appreciation to the aides who had worked at the hospital all winter and asked volunteers to serve in similar capacities during the summer months.

Guests of the aides at their dinner were Mrs. Peggy Hill, Red Cross secretary, and Miss Jean Bucher, office secretary for the Red Cross. The committee in charge of the dinner included Mrs. Donald Weaver and Mrs. G. Henry Roth.

## GHS Seniors Going To New York City

Gettysburg High School Seniors will leave by bus Friday morning at 4:45 o'clock for a day's tour of New York City. Included in the trip will be the United Nations building, Statue of Liberty and guided tours.

The group will lunch at the New York Auto-Mat. Accompanying the 105 seniors will be the following members of the faculty and administration: Miss Joan Thomas, Miss Eva Jane Schwartz, Miss Louise Ramer, Edwin Longanecker, Donald Tiziani and Principal Clifford B. Snowberger.

A marriage license has been issued at the courthouse to John William Springer, son of Mr. and Glenn B. Springer, Emmitsburg, and Barbara Roberta Sanders, daughter of Mr. and Mrs. John H. Sanders, 320 W. Middle St.

## NO JUNE DRAFT

The Adams County Selective Service Board today received word it will receive no call for men for either induction or physical examination during June.

## TOWN POLICE EXAM WILL BE HELD JUNE 7

The Gettysburg Civil Service plans for an examination for borough policeman June 7 and at the same time revealed borough council is considering establishment of the ranks of corporal and sergeant for the local force.

Guile W. Lefever, chairman of the Civil Service Commission, said applications for the examination and forms for a health examination can be obtained at any time from the borough secretary, Mrs. Anna Dracha, at her office in the engine house.

The application and health examination forms must be returned to Mrs. Dracha's office by 5 p.m. May 27 for the applicant to be eligible to undergo the examination at 7 p.m. June 7 at Gettysburg High School.

**Policemen, Too**  
Names of those successfully completing the examination will be turned over to the council. It will then select new officers from the list of eligibles.

That Gettysburg is seeking both policemen and policewomen is shown by the announcement of the examination. Both male and female applicants are sought. They must be citizens of the United States and citizens of Gettysburg for one year prior to the examination and must be over 21 years of age. Male applicants must be at least five feet, eight inches tall and weigh not less than 155 pounds.

The pay schedule as announced by the burgess and safety committee to the Civil Service Commission is \$1.20 an hour for special officers; \$3.20 for the first year for regular officers who during that period are listed as recruits, \$3.40 the second year and \$3.60 the third year, at which time they gain the title of patrolman. Corporals will be paid \$3.80 a year, sergeants \$4.00 and chief \$4.30.

## Up To Council

It was learned this morning that the Safety Committee, burgess and president of council met to set up the proposed pay schedule and an ordinance listing the scale and titles will be presented at the June meeting of council for adoption.

Council at its May meeting had approved the \$3.20 through \$3.60 payments for recruits becoming patrolmen and had discussed establishment of "first, second and third class patrolmen" to provide an incentive for those who served well in their posts over the years. The matter was then turned over to the committee to work out details.

## Man Is Injured In Truck Accident

A Spring Grove man was injured Tuesday when a truck in which he was riding was hit by another truck on Rt. 194 between Hanover and Littlestown.

State Police said Blaine McCauley, 47, Spring Grove R. 3, suffered cuts of the left leg and chest when a tractor-trailer operated by Raymond Pascoe, 17, of 46 North St., McSherrystown, was struck by a tractor-trailer operated by William J. Wiles, 29, of York R. 7. Police said Pascoe was attempting to make a left turn when the accident occurred. McCauley was admitted to Hanover Hospital where authorities listed his condition as satisfactory.

## "Don't Be Dismayed; Tighten Our Belts, Keep Our Chins Up And Each Work Little Harder For Peace With Justice" Says Ike

By MARVIN L. ARROWSMITH  
LISBON, Portugal (AP)—President Eisenhower said today the wrecking of the summit conference means "we must tighten our belts, keep our chins up" and work harder for peace with justice and freedom.

He spoke informally shortly after receiving a rousing, heart-warming welcome from 250,000 staunchly anti-Communist Portuguese upon arrival here for an overnight stop.

"There is no reason to be dismayed or disheartened. We have had these conditions before in dealing with the Soviets," he said. "Rather than be dismayed we must tighten our belts, keep our chins up and each of us work a little harder for the great cause of peace with justice and freedom."

Eisenhower spoke to U.S. Embassy workers and members of the U.S. military mission here after riding in an open car through streets lined by thousands of cheering, waving Portuguese.

Crowds showered the presidential procession with confetti from office windows and balconies. Skyrockets exploded all along the

## RALLY DAY HERE SUNDAY

The annual Spring Rally Day will be held at the EUB Church Sunday. The services will begin with Sunday School at 9:30 a.m. The teaching period will be shortened to permit the reporting of donations which will be turned over to the building fund by the various classes and organizations. All monies received from these sources will go toward decreasing the debt on the new Sunday School building which was dedicated last year.

The morning worship service which will begin at 10:35 a.m. will carry out the theme of Rally Day. Charles H. Glatfelter, assistant dean and associate professor of history at Gettysburg College, will deliver the sermon. Rev. Donald L. Harper, pastor, will preside at the worship service and music will be rendered by the Cecilia Choir under the direction of Evadell Cridder. The public is invited to attend both the Sunday School and the worship service.

## Countian's Car Is Involved In Crash

A motorist was charged with driving the wrong way on a one-way street in Hagerstown early Tuesday after his car collided with a moving vehicle and then crashed into a parked car.

Felix Nakama, 18, Keedysville, Md., was traveling south when his car collided with a northbound auto operated by George F. Herring, Fairfield, and then careened into a parked car owned by Mary Kridler, Hagerstown.

Nakama was charged with traveling the wrong way on the street and with operating a vehicle without a license.

## STARTS COURT ACTION

William W. Reichart, Hanover, has instituted an action in assumpsit in Adams County court against Ralph L. and Anita R. Miller, Hanover R. 4, claiming they have not paid him for drilling a well. According to the complaint filed for Reichart in the prothonotary's office by Attorney John D. Thrush, the cost of the 287-foot well is \$635.53 and the amount has been owing since May 29, 1959.

## GRADUATION DATE

The graduation exercises for the combined Senior class of the Bermudian Springs Joint School system will be held Tuesday, May 24, at the East Berlin High School. The date previously was announced incorrectly for May 25.

The baccalaureate service will be held Sunday at the York Springs Elementary School.

## LODGED IN JAIL

Robert Smith, 24, Gettysburg R. 2, was lodged in the Adams County jail Wednesday night by state police charged with a parole violation.

is by special jet for an overnight visit before flying on to Washington Friday.

Recalling that he had visited Portugal in 1951, the President told President Americo Rodrigues Tomaz and the nation's strongman ruler for 32 years, Premier Antonio de Oliveira Salazar:

"Visiting Old Friends"  
"In coming to Portugal I feel once more that I am visiting old friends. Since the founding of the United States the relationships between the two countries have been happy."

"From the outset we have worked together without a single difference of opinion. Today, as members of the United Nations and as partners in NATO, we continue to work together in the common cause of peace and justice for all men."

## AAUW IS TOLD HOW TO GAIN 4TH DIMENSION

The development of a "new class, people really interested in art and ideas, points to a kind of artistic and intellectual renaissance right around us," Mrs. Sydney Werthan, chairman of arts for the state department of the American Association of University Women, told members of the Gettysburg and Chambersburg AAUW chapters Wednesday evening at a dinner in the Gettysburg College dining hall.

Speaking on a "Possible Personal Fourth Dimension," Mrs. Werthan urged her listeners to become "collectors of art in appreciation and be ready to be a part of this renaissance that is certainly still going on."

"Anyone can enjoy the universe by simply looking at the stars, or the cycle of life by looking at flowers and animals. But the profound pleasure of studying nature as well as music and art comes from the depth of one's understanding of the laws which govern them and these can be learned. The more you learn to appreciate detail in any field, either the science or arts, the more you get in return. This is certainly so if you really study the arts."

"Study to do something creative, something that will give perhaps a glimpse of that unbounded fourth dimension of thought and creativity and beauty that can be yours. Don't wait until you can do a perfect job; the trying is half the fun. Creativeness is not easy. Contrary to the opinion of many it is difficult, exasperating, to put one's

## NATO Council Backs Allies

PARIS (AP)—The Permanent Council of the North Atlantic Treaty Organization expressed unanimous support to the United States, Britain and France today in the tense situation following the breakdown of the summit conference.

The Big Three Western foreign ministers reported to a special meeting of the council on the week's stormy diplomatic events. The 15-nation council reaffirmed its "complete solidarity" and approved the Western foreign ministers' readiness to continue to seek solution of world problems by "peaceful means through negotiations."

The council also expressed approval of Big Three readiness "to take part in such negotiations at any suitable time in the future."

## PLAN SPECIAL SCOUT EVENTS FOR SUMMER

Plans for participation in a Bicycle Safety Day Saturday, the Memorial Day parade here and a "Get Out the Vote campaign" in October were among matters discussed Wednesday evening at a meeting of the commissioners of the Black Walnut Boy Scout District at the engine house, E. Middle St.

All boys and girls in the area are invited to the bicycle safety movie and demonstration Saturday morning and afternoon the commissioners will assist the Health and Safety Committee of the district in the presentation of a free movie at the Majestic Theater Saturday morning. The movie will include cartoons and a film on bicycle safety. They will also assist in a bicycle safety demonstration to be held Saturday afternoon at 1:30 o'clock at the Gettysburg High School parking lot.

The commissioners agreed to visit every unit in the district to urge their participation in the Memorial Day parade here May 30. All adult leaders will be urged to join the Cub Scouts, Boy Scouts and Explorers in taking part in the procession and strewing flowers on the graves.

A "Get Out the Vote Campaign" will be held October 29 when the Scouts will place "door knob hangers" on every home in the district urging the residents to vote in the November election.

## Nervous World Faces An Uncertain Future After Insulting Red Assaults

By JOHN M. HIGHTOWER  
PARIS (AP)—A nervous world faced a dangerously uncertain future today as hostile chiefs of the United States and the Soviet Union turned away from the East-West battle at the summit to plan their strategies for new cold war conflict.

All hope of a quick cooling of tempers and slow rebuilding of polite relations between Washington and Moscow was dead—buried under a new barrage of insults hurled by Nikita Khrushchev at President Eisenhower.

To Western diplomats surveying the wreckage of the Big-Four conference and the violence of the Soviet Premier's news conference Wednesday, the future looked ominous.

**Cite Future Problems**  
A breakdown of disarmament negotiations, a new crisis over Berlin, a return to bitter propaganda warfare, a Red China flare-up in the Far East were all regarded as possible.

Eisenhower, who scorned to reply at once to Khrushchev's slashing assault, plans to make a TV-Radio report on the summit disaster to the American people soon after he gets home Friday. He is returning by way of Lisbon, Portugal.

British Prime Minister Harold Macmillan, the last of the visiting government heads to say farewell to French President Charles de Gaulle, reports to the House of Commons Friday on the total failure of his summit policy. He had worked persistently for several years to bring the Big Four together again, as they had met at Geneva in 1955.

**Red Premier Rages**  
While two thousand newsmen watched his televised, spotlighted performance, Khrushchev thundered in anger, spilled contempt in sarcastic phrases, jabbed his

## GHS YEARBOOK IS DISTRIBUTED AT HIGH SCHOOL

Dedicated to G. W. Lefever "for his many years of service," the 1960 Cannon-Aid, the Gettysburg High School yearbook, has been distributed at the school. Mr. Lefever retired last year as high school principal.

It is bound in a blue and silver cover, the class colors, and bears a modernistic design. The annual contains 132 pages and a great proportion of the space is devoted to pictures, both group and individual.

Faculty members' pictures are presented in groups by departments, a change from recent years in which they have appeared individually. Members of the graduating class with a brief school history for each are pictured individually. Good pictures are used for members of the undergraduate classes.

Judy Hoffman was editor of the annual and her staff included: James Bricker as sports editor; Kathy Degnan, advertising manager; James Roth, business manager; Carol Biesecker, art editor; Vicky Keefe, head typist, and Mary Brumbaugh, feature editor. Miss Jean McAnally and David Woods were the faculty advisers to the staff that included more than 50 students.

The yearbook contains sections devoted to dramatics, athletics, special activities and all of the extra-curricular groups and clubs are pictured. Special pages are devoted to the school bands, their majorettes and the cheerleaders. Twenty-two pages of advertisements helped finance the publication.

The annual was published by the Times and News Publishing Co. About 900 copies were printed.

## 2 MORE COPPERHEADS

The Rev. Alfred Gotwalt, pastor of the Mt. Carmel EUB Church, near Orrtanna, has killed nearly 13 feet of copperhead snakes at the parsonage in the last week. Last week he killed two snakes measuring 42 and 45 inches in the garden at his residence. Wednesday he killed two more of the same variety under a porch at the parsonage. They measured 31 and 37 inches.

## SPEAKS FRIDAY NIGHT

The Federation of Nightclub Women of Taneytown will meet Friday evening at 8 o'clock in Taney Inn.

Mrs. Lorena Bowles, Frederick, will speak. She is affiliated with the controller of customs of the Treasury Department, Baltimore. She will speak on "Work at the Controller of Customs, and the Roll of Women in Government."

Members are urged to bring guests.

## TRUCK HITS BRIDGE

Wednesday morning a milk truck driven by Maurice Shorb, Fairfield R. 2, failed to negotiate a curve and ran through a bridge railing into a creek on a back road near Harney, Maryland police said. The only damage was to the bridge railing.

## PROBLEMS OF SUB MISSILE MAY BE SOLVED

CAPE CANAVERAL, Fla. (AP)—Missiles on opposite coasts of Florida apparently have solved problems which plagued the Polaris submarine missile and Bomarc-A antiaircraft rocket.

Polaris flashed from an underground tube at Cape Canaveral and raced 1,000 miles in a successful test of a compressed air launch on the weapon's inertial guidance system. At Eglin Air Force Base on the northwest coast, three Bomarc-A's demonstrated their ability to intercept flying targets.

The Polaris flight was the first inertial-guided test from a tube since two shipboard launchings in March and April failed to achieve all objectives due to second-stage troubles. The Navy said all objectives were achieved Wednesday.

### Plan Firing Soon

There were indications another inertial firing may be tried soon from the ship, the USS Observation Island. Compressed air ejects the missile from the tube and it ignites about 70 feet above ground, just as it will when fired from a submerged submarine.

Within two months, Polaris launchings will be attempted from the first of the Polaris subs, the George Washington. The Navy plans to have the missile operational this fall.

Earlier this year, congressional investigations revealed that only one of 10 Bomarc-A's had successfully intercepted an airborne target. The three launchings Wednesday at Santa Rosa Island brought total Bomarc-A successes in a week to five.

The Air Force said all three Bomarc-A's successfully intercepted target missiles.

### BRIEFS

WASHINGTON (AP)—Branch Rickey, president of the new Continental League, told Congress today its success would be "the salvation of the national game in America" at a time when minor league baseball "is on the rocks."

He urged enactment of proposed legislation that would give the fledgling league a chance to draft many players controlled by American and National League clubs.

Baseball Commissioner Ford C. Frick, who has criticized the proposed legislation, was slated to be a later witness.

## Jet And Light Plane Collide

PARIS (AP)—A twin-jet Caravelle carrying 37 persons collided with a light training plane 6,000 feet up today. The airliner landed safely with a great hole ripped in the roof. The light plane's engine was still stuck in the jet's fuselage.

One of the passengers was killed by flying debris. The pilot of the light plane also perished. The airline said 25 persons were injured.

The Caravelle landed at Orly Field at almost the same time Soviet Premier Nikita Khrushchev left there for Berlin aboard his special turboprop plane Khrushchev apparently was unaware of the accident.

The collision took place about five miles from Orly Field as the Air Algerie Caravelle was coming down for a landing after a trip from North Africa.

The airline reported that all the passengers aboard the jet were French.

### WINS ROAD-E-O

The Teen-age Safe Driving Road-E-O held in Taneytown Sunday under the sponsorship of the Taneytown Jaycees was won by Vernon L. Harchenborn, New Windsor, Md. Richard T. Clingan, Taneytown, R. 1, and Franklin Peeser, Taneytown, won second and third places, respectively. Harchenborn, a student at Francis Scott Key High School, scored highest in both the written examination and the obstacle-course driving tests, to win by a decisive margin. He will be the guest of the Taneytown Jaycees at the state Road-E-O in Baltimore on June 10, 11.

## Held For Begging Funds For Russians

TRENTON, N. J. (AP)—A Pennsylvania man gets a court hearing next Monday on charges of soliciting money for a Russian friendship mission without a license.

Police Chief Louis F. Neese said Wednesday Rudolph E. Boyance, 47, of Cornwall Heights, Pa., collected funds to send an American family to Russia to promote peace. But the family never was sent, he said.

Boyance has a long record of arrests, the chief said.

### MAN MISSING

LEWES, Del. (AP)—Heavy seas sank a cabin cruiser on a breakwater during the night in the Lower Delaware Bay off Lewes. The Coast Guard rescued two of the three-man crew. The third was still missing.

Film star Marilyn Monroe once lived in a Los Angeles orphanage.

## PENNSY CAR INSPECTORS ON STRIKE

NEW YORK (AP)—Car inspectors failed to report for work today at Pennsylvania Station, and the Pennsylvania Railroad reported delays up to 12 minutes on outgoing trains.

The inspectors are employees of the Pennsylvania Railroad and are members of the Transport Workers Union.

A spokesman for the Long Island Railroad, whose cars are inspected at the big terminal by the Pennsylvania inspectors, said there had been no delays on the Long Island. He conceded that there may be delays later today if the inspectors continue their stoppage.

Supervisory employees of both railroads took over the work of the inspectors.

The Long Island Railroad does not have TWU employees.

The TWU did not have any immediate comment on the situation here.

The TWU and Pennsylvania Railroad are locked in a dispute, and many TWU employees of the Pennsylvania Railroad have halted work at various points on the railroad in several states this week.

The car inspectors were reported working at all New York City points except Pennsylvania Station.

## Engagement

**Baker-Thompson**  
Mr. and Mrs. Carl V. Thompson, Gettysburg, announce the engagement of their daughter, Miss Virginia E. L. Thompson, 3306 Md., to Marshall H. Baker, Georgetown, Del. Miss Thompson was graduated from Gettysburg High School with the class of 1956 and attended Strayer's Business College. Mr. Baker was graduated from the University of Delaware with the class of 1956. A summer wedding is planned.

## 6 MEN BEGIN INDUSTRIAL PEACE TALKS

WASHINGTON (AP)—Labor and management representatives get a chance today to decide whether they want to try to agree on mutual problems or continue to fight them out.

A six-man group—three representatives each from management and organized labor—arranged to meet at the bidding of President Eisenhower to lay out plans for a series of industrial peace talks.

These talks, as outlined by Eisenhower, would be designed to try to reach agreements that would lead to better employer-union relations, curb inflation, increase output, and spur economic growth.

Both sides publicly pledged to work at the job but privately said they had doubts about accomplishing anything. Like the participants at the ill-fated Paris meeting of the world powers, the labor-management conferees are apparently distrustful and suspicious of each other.

The meeting today had an apparently simple goal. That is to agree on an agenda of matters to be discussed at future conferences and what additional men should be invited in by both sides.

## Wants Teachers To Have Strap Handy

LONG BEACH, Calif. (AP)—Teachers should have a strap handy to keep discipline in public schools, says Municipal Judge Charles T. Smith.

"Today a great many families are ignoring discipline in the home on the theory that the schools are doing it," Judge Smith said Wednesday. "But teachers are not meting out punishment because boards of education frown on it. It's a vicious circle."

Smith sentenced a parent to five days in jail for slapping a teacher. Ambrose Cosgrove, 51, said he struck Miss Helen Nies because he thought the teacher had slapped his 10-year-old son, Terry.

## Two Are Killed In Head-on Collision

MONTROSE, Pa. (AP)—A head-on collision between two cars on Route 29 south of this Susquehanna County Community killed two men Wednesday and critically injured a third.

The victims were Harold Green, 32, of Scranton, driver and sole occupant of one car; and Edward Riley, 75, of Wilkes-Barre.

State police said Riley was a passenger in a car driven by Joseph Kosar, 34, of Wilkes-Barre. Kosar was reported in critical condition in Binghamton, N. Y. Hospital.

## Curb Of West German Arms May Be Lifted

PARIS (AP)—Allied officials reported today they plan to erase some curbs on West German rearmament in view of the summit conference breakdown.

A high official inside the North Atlantic Treaty Organization said: "In the next few weeks a substantial revision of the 1953 Paris treaties will be undertaken."

These treaties spelled out detailed limitations on West German weapon production. They were designed to bar runaway rearmament.

The informant said the starting point is likely to be formal Allied approval of a German request for permission to build warships—mainly destroyers.

It was emphasized by the informant that the planned revision of the 1953 treaties will leave untouched West Germany's pledge not to manufacture ABC—atomic, bacteriological, chemical—weapons.

Within NATO's strategic planning, the West Germans have responsibility for defense of the Baltic.

told. The award will go to the Scout with the best record making application.

An insurance plan costing \$1 per year per Scout and covering him at all times was presented. The commissioners voted that each individual unit should make its own decision on the insurance plan.

### Set Round Table Date

May 31 at 8 p.m. was set as the time for the regular round tables to be held at Gettysburg High School.

Reports showed 80 per cent of the units in the district have all in Haines Safari.

Two new commissioners were introduced, Ernest Simpson and Joseph Sunbury.

July 9 was announced as the date when memorial trees will be dedicated at Camp Tuckahoe.

### C. O. IS CONVICTED

LEWISBURG, Pa. (AP)—Norman J. Querengasser of Pottsville was adjudged guilty Wednesday in federal court for failing to report for duty as a military non-combatant.

Querengasser, a member of Jehovah's Witnesses, was tried last December before Judge Frederick V. Follmer.

The jurist deferred sentence.

WASHINGTON (AP)—Sen. Thomas J. Dodd (D-Conn.) called in a Senate speech today for prosecution of Cyrus Eaton, Cleveland, Ohio industrialist, for his dealings with the Soviet Union. Dodd said Eaton flew to Paris to talk with Soviet Premier Nikita Khrushchev after the collapse of the summit conference.

"Eaton has violated the Logan Act and ought to be prosecuted for it," Dodd declared.

The Logan Act forbids private citizens from negotiating with foreign powers with intent to influence U.S. policy. It provides penalties up to three years imprisonment.

LONDON (AP)—British fashion houses won't send a collection to Moscow this year, but not because of the new drop in East-West relations.

"The Russians admire British fashions, but they won't buy them," a trade representative said today. "Our last show in Russia cost 20,000 pounds (\$56,000) and we didn't get a penny out of it."

## MAN KILLED; 4 HURT IN CRASH

HARRISBURG (AP)—One man was killed and four others injured today in a two-car crash in near-by Hampden Twp.

The dead man was Fred D. Moore, 36, Harrisburg, driver of one of the cars. He was traveling alone.

Injured were Jack H. Weller, 24, New Bloomfield; Ronald Morrow, 27, Loysville; Charles Killinger, 25, Blain, and Frank A. Flickinger Jr., 27, New Germantown, all from Perry County.

State trooper Maurice Lawler said the cars driven by Moore and Weller were headed in opposite directions on the Carlisle Pike, four miles west of Camp Hill, when they met head on in the center lane of the three-lane highway. One of the cars careened into a truck driven by Morris Blatz, 51, Pine Grove R. 1. Blatz escaped injury.

The injured men, all employees of the Pennsylvania Power and Light Co., were taken to Harrisburg Hospital. Weller and Morrow were reported in serious condition. The other two were treated and discharged.

## Service Supply Has New Budget Plan

The Service Supply Co., 25 York St., retail outlet for the B. F. Goodrich Company will open a new budget sales department which will allow customers to buy merchandise on budget terms, as well as for cash, on lay-away or regular 30-day charge account, according to Orville Orner, proprietor. The Goodrich budget sales plan, which is in operation from coast to coast, will be directed by Jim Williams, budget manager.

"By establishing a budget sales department at our store, we feel that we will be able to be of more service to our customers by letting them arrange down payments and terms to suit their means for as long as 24 months," said Williams.

Prizes will be awarded customers attending a special opening celebration for the new budget department to be held Friday and Saturday.

finger at his audience and waved his arms in wrath or seeming triumph.

He threatened to make a separate peace treaty with East Germany. He forecast the Western allies would lose their rights in West Berlin. But he did not set a deadline for a Berlin showdown. He acclaimed the Castro government in Cuba. He predicted more Latin-American countries would rise against "American imperialism."

Through the spectacle, which ran two hours and 20 minutes with translation from Russian to French and English, Marshal Rodion Y. Malinovsky, the Soviet defense minister, sat beside the premier. Western diplomats thought Malinovsky's constant attendance on Khrushchev during his Paris stay was highly significant: A reminder of Soviet military might and possibly a watchdog sent by Kremlin advocates of a tough policy to see that Khrushchev did not plug his previous peaceful coexistence line even in private talks.

## Blind Golfers Plan Tourney

HEWLETT, N.Y. (AP)—Charles Boswell will play the Sewane Harbor Club golf course next Saturday without even seeing it, and he'll probably shoot in the 90s.

The genial 43-year-old from Birmingham, Ala., will be defending his national championship against a dozen other blind golfers. He's won the event 11 times in 14 years.

Included in the field are such experienced performers as Bob Allman of Philadelphia; Peter Bell of Oak Park, Mich.; William Gilman of Portland, Me.; Harry Hunter of Detroit; Joseph Lazaro of Waltham, Mass.; Ben Pearlman of Lester, Pa.; Arthur Smith of Cheltenham, Pa.; Philip Tuso of Philadelphia; Harold Urlick of Euclid, Ohio; Tom Hurley of Albany, N.Y.; Jim Stora of Philadelphia, and Charles Tooth of St. Petersburg, Fla.

The blind golfers go over a course with a coach who lines up the shots for them, rattles the cup to give the location of the hole, judges the distances and otherwise serves as "eyes" for the players.

## QUIGLEY HAS 4 SELECTIONS TO ACADEMIES

Congressman James M. Quigley today announced that he has been allotted two appointments to the Naval Academy at Annapolis, one appointment to the Air Force Academy at Colorado Springs for 1961, and one appointment to the U. S. Military Academy at West Point. He said his appointments will be based on the results of competitive examinations.

"Written examinations for candidates seeking appointment to the service academies will be held by the Federal Civil Service Commission on Monday, July 11, at both York and Harrisburg," Quigley said. Applications for the examination from Adams, Cumberland and York County candidates must be received in Rep. Quigley's office on or before June 1, 1960.

"Only bona fide residents of the 19th Congressional District who will have graduated from high school by the end of the 1960-61 academic year will be considered," Quigley added. They must be at least 17 and not yet 22 years of age by July 1, 1961, to be eligible for admission.

### Merchant Marine

As a member of Congress for Adams, Cumberland and York Counties, Quigley has the privilege of designating two principal candidates and ten alternates to the Naval Academy for 1961. To the Air Force Academy he will name one principal and ten alternates. For West Point he will appoint one principal and three alternates. In addition, he has the opportunity to making 10 nominations to the Merchant Marine Academy at New London, Conn.

"The relative standing of candidates on the written examination will determine rankings," Quigley declared. The examination consists of three parts, one to test vocabulary and reading, one for ability to recognize three-dimensional figures, and one for algebra.

Candidates who, after taking the designation examination, are nominated for admission by Quigley, still have to meet the service academy's requirements for entrance involving achievement and physical examinations.

It is difficult and I know how easy and humanly natural it is to hide behind duties and routine and too busy. Physical activity does not demand as much self-discipline as a mental challenge. But it is worth the try. For only through study and work can you find your own personal fourth dimension."

Mrs. Morris Massovitz, president of the Chambersburg branch, was toastmistress. Officers of the Chambersburg branch installed at the dinner included Mrs. Eugene Smyser, president, and Mrs. Eileen Neurenberger, secretary.

### Install Local Officers

Officers of the Gettysburg chapter installed by the retiring president, Mrs. Harold Dunkelberger, included Mrs. Raymond F. Sheely, president; Mrs. George Thrush, corresponding secretary, and Miss Ann Faber, treasurer.

Mrs. Frank Hewetson, program chairman, introduced Mrs. Werthen.

Miss N. Louise Ramer announced Kathy Degnan, who will attend Gettysburg College, and Barbara Hibner, who will attend Pennsylvania State University, as the recipients of the two scholarships provided through the AAUW.

## SOME CANCEL RUSSIAN TRIP

NEW YORK (AP)—There have been some tourist cancellations of trips to the Soviet Union because of events in Paris, but other tourists are adopting a wait-and-see attitude, according to a survey of travel agencies.

Gabriel Reiner, head of the Cosmos Agency, which will send between 1,200 and 1,500 persons to Eastern Europe this summer, said there had been a few cancellations.

"We're taking our lead from the State Department. They're saying there's no reason to cancel any trips and they're still handling visa application," Reiner said. American Express said only three trips to the Soviet Union had been cancelled here in the past two days.

The travel agents report no change in the attitude of Intourist, the Soviet travel bureau which handles all arrangements. As one American agent put it: "They're operating just as if we were living in the pre-May 1st days."

## RIDING CLUB PREPARES FOR ANNUAL SHOW

Members of the Gettysburg Riding Club are asked to be at the horse show ring this evening at 6 o'clock to fix the fence, clean the area and mow the grass.

The mowing this evening should be the last for the general membership. The club at its meeting Tuesday evening voted to employ a man to keep the grass mowed during the season.

Reports at the meeting showed five of the junior members of the riding club are interested in joining a 4-H Riding Club and as a result it is anticipated that a club can be started. Five other youths have also shown interest to provide the 10 needed before a 4-H club can be established.

LeRoy H. Winebrenner, Charles Weaver and Ray Hoffman were appointed to meet with John D. Teeter to go over the lease the riding club has for the property on which the ring is located at Twin Lakes.

Mrs. Winebrenner was announced as secretary for the horse show to be held June 19 at 12:30 p.m. Twenty-six classes are scheduled and approximately 100 horses will take part according to present anticipations. Information on the show is being sent to all known possible participants. Others wishing information should contact Mrs. Winebrenner.

Dr. Bruce N. Wolff, president of the riding club, presided at the meeting.

### Girl Scout News

Details of equipment needed for the "primitive camping" program to be held by Intermediate Girl Scout Troop 42 Friday through Sunday were outlined Wednesday evening at a meeting of the troop in Christ Lutheran Church.

Following the session at the church the group went to the Girl Scout office in the First National Bank Building where Mrs. M. Hardy Nichols checked the notebooks prepared by the members as a requirement for the Curved Bar award. Mrs. Ralph Bream is leader for the troop.

## SAYS ADAMS IS

(Continued From Page 1)  
for new industry be on a county-wide basis.

### Tax Level Here Attractive

"Of utmost importance is a cordial, and friendly reception to the scouts sent by industry seeking a place to establish themselves. Industrial scouts are extremely sensitive to the reception they receive. When plants are considering a move they want to go into a place where they will feel welcome. They will be bringing with them many people and if the community is friendly and cordial then the people coming with the plant can expect to feel at home. If the reception is only lukewarm, they will seek other places to put their plant."

Adams County, because it has in excess of six per cent unemployed, can receive aid from the state in industrial promotion, Dunn said. He added that "here again it has to be a joint effort. More than 50 per cent of the political subdivisions of the county must be in favor before you can obtain help from the state."

### Meet Next June 15

Dunn said Adams County's tax level "should prove a great inducement to industry," holding that many other areas "have much higher taxes."

He also said that those seeking to secure industry "will have to make it a practice to read the financial pages of the newspapers daily." He said the best way to interest new industry is to study the reports of the different companies. When the financial reports indicate the company is growing rapidly and apparently is about to need to expand "then is the time to go visit them, before they have begun to consider where they will go."

Chairman J. Howard Gaines presided and announced a meeting of committee chairmen will be held May 26 at the Dutch Cupboard and the entire committee will meet again June 15 at the Peace Light Inn. In the meantime, he said, letters will be sent to all political subdivisions in the county asking them about zoning plans and possible industrial sites.

## Johnson's Drive To Start Rolling

WASHINGTON (AP)—Sen. Lyndon B. Johnson's campaign for the Democratic presidential nomination will swing into high gear with the opening here probably next week of a "Citizens for Johnson" headquarters.

Shortly thereafter, the Texas senator is expected to make a formal announcement of his candidacy. That may come shortly after the last of the state presidential primaries early in June.

Although obviously an aspirant, Johnson has avoided any announcement of his political plans and has stayed out of state primaries. He has said his duties as Senate Democratic leader require his attention.

Johnson's backers believe they can pick up enough pledged delegates between now and the start of the Los Angeles convention on July 11 to assure the Texan "considerably over" 400 votes on the first ballot.

and Jeffrey Shank and Gary Bream.

Wednesday that the \$287,242.40 received by Dr. Henry Welch since 1953 came primarily from the sale of reprints of scientific articles used to advertise and promote drug products.

Welch, head of the Food and Drug Administration's antibiotics division, had told his superiors that he was receiving an "honorarium" for the outside work — without saying how much money he got.

Within hours after the Senate Antitrust and Monopoly subcommittee heard its staff investigators present a financial accounting of Welch's outside work, Secretary of Welfare Arthur S. Flemming asked for Welch's resignation.

Flemming said Welch had deliberately misled his superiors "in receiving compensation far beyond what is the commonly accepted concept of an honorarium."

Welch, reported suffering from a heart ailment, earlier had applied for disability retirement of effective June 1. He was paid \$17,500 annually in his government job.

Welch did not attend Wednesday's hearing and was not immediately available for comment. Senate investigators have been looking into drug pricing practices.

**TWENTY YEARS AGO**  
**Bookmobile To Tour County**  
On Thursday: Residents of seven Adams county communities will be given a chance to see a bookmobile in operation on Thursday when the Lancaster county public library's vehicle will tour this section. The exhibition of the bookmobile is part of the campaign to secure a library for the county. John H. Knickerbocker, Gettysburg college librarian, is directing the drive to interest counties in the project.

**91-Degree Heat Previews Summer**

At a meeting on Monday evening in the Bendersville community hall, the members of the boards of school directors of Bendersville borough and Menallen and Tyrone townships voted unanimously to petition the county board of school directors to prepare plans for and ask the county court to approve the merging of the Bendersville borough, Menallen township and part of the Tyrone township school districts.

**23 Totals Of '40 Census Listed; Littlestown's Gain Highest**  
First official 1940 census figures for Adams county were released today at York by Paul M. Murphy, census supervisor for York, Adams and Franklin counties, showing that among the 11 boroughs and 2 townships in which figures are complete Littlestown borough has the biggest gain since 1930.

Complete returns for Gettysburg show that the borough's official population is now 5,925 which is 341 above the 5,584 counted in the 1930 enumeration. Littlestown's gain in the same period was 501, bringing its 1940 population to 2,502 persons.

**Would Extend Area Of Park**  
A bill providing for the acquisition of approximately 19 acres of land to be added to Gettysburg National Military Park was introduced in the house Saturday by Representative Chester H. Gross, of Manchester, Pa. The measure proposes that the tract, considered by the National Park Service as necessary to meet future needs, shall be acquired by the secretary of the Interior through purchase, gift or condemnation. If it is necessary to purchase the land, appropriation of necessary funds will be requested in a future bill, the congressman said.

## Today's Talk

**HANDS AND LIFE**  
Nothing in this body of ours is so expressive as are the hands. That is why Hands were made so beautiful—and at any age. I like the handshake of strong men, and the warm and sympathetic handshake of understanding women. I have a small drawing of hands by a noted artist. It is full of life and beauty. The story of life is in the hands, and will be to the very end of activity.

I loved my mother's hands, because they were the hands of a mother and worker. They were never idle. They were always alert to the needs or problems of others. Rodin, the great French artist and sculptor, did a beautiful marble of a hand which he called "Hand of God."

We all of us can recall the touch of many a kind hand of a mother's love. In sickness, or sorrow, those hands reached out to cheer and to comfort. Artists study the human hand. They are the most difficult of all the organs of the body to draw. Kind hands have a world of meaning to them. They create all manner of craft work, but what goes on in the heart of the owners of hands is the most significant of all! Nothing is more truthful than the hands that rock the cradle!

Tomorrow Mr. Adams will talk on the subject: "The Books One Reads."

## Just Folks

**TODAY**  
Learn to take your tumblers with a grin;  
School yourself to suffer without whining;  
Grit your teeth and keep a lifted chin;  
Don't let disappointments start you pining;  
Just forget your past mistakes and follies;  
Yesterday is dead and gone forever;  
Bury with it all its melancholies;  
You've today to prove that you are clever.

You must bear the loss to win the gain;  
Failure is the price of most successes.  
Learn to face defeat and not complain;  
He's no man who cannot stand distresses.  
Don't spend many minutes in regretting  
Things you did, or didn't do on the way;  
While e'er past misfortunes you are fretting,  
You have lost your grip upon today.

## ARMY PUSHING ARCTIC TESTS

**PHILADELPHIA (AP)**—The Army is conducting cold chamber tests more rigorous than those faced by Arctic explorers in efforts to determine how much exposure a man can take, how many men can endure it and what food is most conducive to pulling through.

The project was disclosed Wednesday. The tests are being made at Lankenau Hospital's new research center.

Usually two men, between 20 and 30, are placed in a cold chamber at a time, clad only in shorts. They stay there for 10 days without a break—if they can. The temperature is 42 to 45 degrees above zero.

## WARNS ABOUT DELAY IN USE OF SALK SHOTS

**HARRISBURG (AP)**—Pennsylvania's health secretary today cautioned parents against waiting for a safe oral vaccine before having their children inoculated against polio.

Dr. Charles L. Wilbar urged the public to take advantage of the Salk polio vaccine which he said has been proved safe and effective.

"Don't risk polio just to avoid a shot," Wilbar warned. "Safe and effective Salk vaccine is available now and should be used to immunize as many people as possible."

**May Take Time**  
He said it may be some time before a live virus vaccine, which is taken orally in syrup form, is available for general use. He said it still has to be proved safe and effective.

Wilbar said most of this year's cases of paralytic polio will be the fault of parents who failed to have their children vaccinated. Particular attention should be given to the pre-school age group which is most susceptible to the crippling disease, he added.

He recommended this vaccination schedule for polio vaccine: second dose to be given six weeks after the first; third injection seven to 12 months later; fourth dose a year after the third; annual doses thereafter if recommended by family physician.

## 165 Paralytic Cases

Wilbar said 165 of the 193 reported cases of polio last year were paralytic.

He gave this breakdown by counties:

Allegheny, 8; Beaver, 3; Bedford, 10; Berks, 2; Blair, 5; Bucks, 3; Butler, 1; Cambria, 13; Cameron, 1; Centre, 2; Chester, 7; Clearfield, 1; Clinton, 1; Crawford, 1; Cumberland, 2; Dauphin, 5; Delaware, 6; Elk, 2; Erie, 6; Fayette, 5; Franklin, 1; Fulton, 4; Greene, 1; Huntingdon, 10; Indiana, 3; Jefferson, 1; Lackawanna, 2; Lancaster, 6; Lawrence, 2; Lebanon, 2; Lehigh, 3; Luzerne, 3; Lycoming, 1; McKean, 1; Mercer, 3; Mifflin, 3; Montgomery, 1; Northampton, 8; Northumberland, 1; Philadelphia, 21; Potter, 1; Schuylkill, 1; Somerset, 7; Tioga, 3; Union, 2; Venango, 1; Warren, 2; Washington, 4; Westmoreland, 8; York, 2.

Here was the age-group breakdown: 0-4 years old, 54 cases; 5-9, 63; 10-14, 24; 15-19, 13; 20-29, 25; 30-39, 8; 40-over, 6.

## MORGAN CALLS FOR U. S. UNITY ON PARIS TALKS

**WASHINGTON (AP)**—Rep. Thomas E. Morgan (D-Pa.), chairman of the House Foreign Affairs Committee, says we need unity and must stand by the President in view of the recent collapse of the summit talks in Paris.

In an interview Wednesday Morgan said, however, a "terrific amount of blundering" by the United States preceded the collapse.

The "first blunder" occurred, Morgan said, in the "lack of coordination between the Central Intelligence Agency and the State Department" when an espionage plane was sent over the Soviet Union only two weeks before the scheduled summit meeting.

**Points Out Blunders**  
Morgan added that the "blundering continued with the open admission that our plane was a spy plane before we could learn how much the Russians really knew."

When suspension of the spy flights was ordered "blundering of the worst kind" occurred, said Morgan.

He said he will ask Secretary of

## Emmitsburg

MRS. RALPH LONG Hillcrest 7-2231

**EMMITSBURG**—At the recent meeting of the Emmitsburg Lions Club held at Fitzgerald's Mason-Dixon Inn, President D. Lindsey presided with 22 members present. A film showing the effectiveness of the U.S. Navy was projected by two representatives of the Navy a lieutenant commander and a chief petty officer. Newly-elected officers will be installed at the next meeting.

Roger Heck, manager of the Chesapeake and Potomac Telephone service for Emmitsburg and Frederick. At the present time coverage is extended only to Thurmont by dialing.

Dr. D. L. Beegle, chairman of the drive for old eyeglasses, reported that a number of glasses had been received.

The regular meeting of the Emmitsburg Grange was held Wednesday evening at the local high school with sixteen members and one guest present. Bernard Welty, master presided.

The summer meetings were discussed and the following dates were set: June 1 at the high school; July 6 at Norman Shriver's Cottage for a wienie roast; August 3 at Grier Keilholt's farm; August 17 at the home of Mr. and Mrs. Wilfred Watkins for a covered dish supper.

The members voted \$2.50 to the AAA patrol.

An application for membership was received from Mrs. Ruth Simpson and a reinstatement application from Robert Simpson. The insurance program offered to Grange families was discussed by Mrs. George Martin and Clara Harner.

The annual cancer drive netted \$302.09.

The regular meeting of the Youth Fellowship of the United Church of Christ was held recently at the home of Mr. Walter F. Crouse. Rev. George Shultz, director of the Camp Michaux, showed slides and spoke on camp life.

The group accepted the invitation of the Thurmont Youth Fellowship to attend an outdoor meeting at Apple's Church on May 22.

The next meeting will be a night of fellowship with a wienie roast at the home of George J. Martin.

State Herter for a briefing.

Meanwhile, other Pennsylvanians in Congress expressed viewpoints on the incidents.

Rep. Ivor D. Fenton, dean of Keystone state Republicans, said he stands strongly behind the President.

Rep. Daniel J. Flood (D) said the one good thing to come out of the summit conference was that it "should sound the death knell of diplomatic summits."

He explained that the Russians want summit meetings only as a forum.

## TO ANNOUNCE STRIKE DATE NEXT FRIDAY

**CLEVELAND (AP)**—If the Transport Workers Union decides to strike against the Pennsylvania Railroad at a date earlier than June 6, the new strike date will be announced in Pittsburgh next Friday, TWU international president Michael J. Quill has declared.

"We are receiving demands through resolutions from local unions through the Pennsy system to jump the gun with an earlier strike date," Quill said Tuesday in a news conference which preceded a meeting here of the union's Local 2019.

The union-railroad contract was scheduled to expire Nov. 1 but has been continued pending the outcome of negotiations affecting 25,000 non-operating employees.

Quill said membership demands for advancement of the strike from June 6 to an earlier date grew "out of their protests that the railroad is violating the contract all over the system."

When it was pointed out that appointment of a presidential fact-finding board could delay the strike for at least 60 days, Quill expressed doubt that President Eisenhower would invoke such a board.

The conflict revolves around a three-year-old dispute over work rules.

A work stoppage that broke out Monday at Weirton, W. Va., and Mingo Junction, Ohio, "might spread along the line," Quill affirmed.

Railroad officials said only 48 to 173 workers scheduled at the two points reported to work after TWU Local 2008 called an "uninterrupted meeting." Supervisory personnel maintained operations.

Union officials called the stoppage a "lockout," charging the company on Friday posted job assignments without defining major duties.

Quill said the union had no intention of ordering the men back to work. He said they were protesting automation and elimination of jobs affecting members throughout the Pennsy system.

A PRR spokesman called the union position in the Steubenville, Ohio, area walkout as "ridiculous." William Baird, PRR public relations official at Pittsburgh, charged the union "wants to assume management's prerogative."

## MUST PAY \$250 TAX ON SLOTS

**POTTSVILLE, Pa. (AP)**—The owners of 12 slot and pinball machines were ordered to buy \$250 federal tax stamps for each machine Wednesday, or the machines would be confiscated.

The devices were found during raids Tuesday on six establishments by Internal Revenue Service agents.

Julien Hannsens, an IRS agent, said the owners were ordered to buy the stamps, but were not charged with any crime. He said some were found selling numbers or operating punch boards, and they were told to get \$50 federal occupational gambling tax stamps or face arrest.

No names were released. Hannsens said three cigar stores, a bar, a grocery store and a dry cleaning establishment were raided. He said the pinball machines were regarded as gambling devices because pay-offs were made on games played.

There was no announcement of action by state authorities. Slot machines and pinball machines which pay off for winning are illegal in Pennsylvania.

## Can't Use Her Money For Cars

**JOPLIN, Mo. (AP)**—The will of Bessie Imbeau, filed for probate Wednesday made two provisions for her three teen-aged step grand children.

The first provision left them \$30,000 in a trust fund plus one third interest each in 200 acres of lead mining land.

The second provision specified that Harvey Imbeau, 19, Ralph Imbeau, 16, and James Imbeau, 13, couldn't spend any of the money for an automobile.

## HORRORS OF WARSAW'S GHETTO ON TV

By CYNTHIA LOWRY AP TV-Radio Writer

**NEW YORK (AP)**—Rod Serling's grim drama about the horror that was the Warsaw ghetto during the German occupation of Poland came to television Wednesday night doubled in impact by events in Paris earlier in the day and week.

About an hour after the CBS Playhouse 90 production of "In The Presence of Mine Enemies," came to its bleak conclusion, the network (and rival NBC, too) was taken over by an unedited picture account of Nikita Khrushchev's long threatening diatribe.

The Serling play was concerned with brutal German army treatment of Polish Jews. It pulled no punches reconstructing the tragedy that took place in the 100-block square, walled compound where 500,000 Jews hungered and suffered until the uprising that killed all but a few.

### Carved Bitter Lesson

The story concerned a gentle rabbi who lost and then found his faith in spite of an embittered, savage son and a daughter coldly ravaged by a Jew-hating Prussian officer.

The play carried its bitter lesson. It was well acted by a cast which included Charles Laughton, Arthur Kennedy and Susan Kohner. But I would have been watching some situation comedy if I had not been a TV reviewer.

## Matt Dillon Will Need New 'Chester'

**HOLLYWOOD (AP)**—Mister Dillon will have another sidekick after next season on the "Gunsmoke" TV series. Chester is quitting.

"I'm very fond of Chester, but I've gone about as far as I can go with him in development," said Dennis Weaver, who plays Marshal Dillon's assistant. He told CBS Wednesday that he'll look for his own show when his 6-year contract expires after the 1960-61 season.

## ASTAIRE TO BE HOST

## MAN'S HAPPY IN WORLD OF MANY WOMEN

**DENVER (AP)**—Don Brown lives in a world where the feminine touch is overwhelming . . . a world of college girls.

Brown, 27, married and father of two daughters, is director of physical education and athletics at Loretto Heights College, a four-year liberal arts college exclusively for girls.

"Sure," he admits, "I get a lot of razzin' about my job. I receive lots of offers from guys who want to help me."

Brown has hit only one major snag since he took the post last year. That was when the college was preparing for its course in horsemanship riding.

"One of the nuns suggested that perhaps it would be a good idea to measure the girls for saddles before putting in the orders."

"Reneg On Job"  
"I blushed a little and then told her I guess I'd have to renege on that job . . . that was one she'd have to perform."

Actually Brown says his problems are few. The first two weeks with a new class are the most difficult.

"Do the girls giggle when they see me for the first time?" Brown grins. "I'll say they do. That's what makes the first couple of weeks hard. Soon, though, the girls will begin to accept you for the job you're in."

Brown has firm ideas on men coaching women in athletics.

"I'm sure some of the girls feel embarrassed about making mistakes in front of a man . . . more so than in front of a woman. However, I think the girls work harder for perfection for a man than for another woman."

### "Necessity Not Luxury"

Brown believes a physical education program for women is a necessity and not a luxury.

"Girls who participate in athletics have better muscle-tone than those who don't," he says. "Athletics prove fine preparation for motherhood. I don't go along with the old theory that athletics will wreck a woman . . . that athletics will cause girls to lose their femininity. That's simply not so."

When Brown, a former coach of high school boys, took his job at Loretto Heights only 43 per cent of the college's enrollment of 750 participated in athletics. Now, less than a year later, the figure has increased to 70 per cent.

Statistics aside, Brown comments: "The surroundings here are very favorable."

## Canners Nip Scotland In Last Meet; Jacoby, Breighner Set Records

Biglerville High took only six of the 14 first places but had enough entries in place positions to nip Scotland 61-57 in a thrilling track meet on the Canners' field Wednesday evening.

The victory gave Coach Don Sterner's outfit a clean sweep of its five dual meets this season. Biglerville also took the Class B title in the Shippensburg State College Invitation meet, finished second in the South Penn Conference meet, and was second to Carlisle in a triangular meet with Gettysburg in compiling one of its best seasons.

**Captains Set Marks**  
Gary Breighner and hermit Jacoby, who set new school marks for the Canners, have been named as co-captains of the squad.

Breighner, who won the shot-put and discus, tossed the shot for a new mark with his heave of 50-4. Jacoby's 20-4 clocking in the 180-yard hurdles is also a new Biglerville mark.

The other first places for Biglerville were gained by John Byerly, 880 run; Kermit Jacoby, 190-yard hurdles; Larry Eckenrode, javelin; and Lauren Slaybaugh, and Bruce Parker, who tied in the pole vault.

Dick Fochler, Scotland, was a double winner for the Cadets, streaking home first in the 100 and 220-yard dashes.

**In District Meet**  
Coach Sterner will take a squad of 19 boys to the District 3 PIAA meet in Lancaster Saturday. His squad is picked to win the Class B team honors.

**Summaries:**  
100-yd. dash — 1. Dick Fochler, S; 2. Regis Fochler, S; 3. John Alexander, B. Time :10.5

**NETMEN LOSE  
FINAL MATCH**

The Gettysburg College tennis team rang down the curtain on one of the most disastrous seasons in its history as Lymcoming College handed the Bullets an 8-1 setback, Wednesday afternoon in Williamsport.

The loss marked the 12th for coach Larry Roller's outfit against no wins. The Bullets will lose only three seniors during this rebuilding year which is a good indication they could pose a threat in the Middle Atlantic Conference next year. The seniors playing for the last time included, John Miller, Baltimore, Md.; Roger Crump, Loral Park, N. Y.; and Gary Wachter, Great Neck, N. Y.

**CREDITS WINS  
TO CONTROL**

PITTSBURGH (AP) — If there's a secret to Vernon Law's success, it's control.

The Pittsburgh Pirate right-hander became the winningest pitcher in the major leagues Wednesday night by defeating St. Louis 4-2. It was his sixth victory against one loss.

"Control is probably my biggest asset," Law said. "I feel as though I lack some of the speed of fast ball pitchers like Don Drysdale so I rely on control."

"Concentration on it in practice is probably the greatest thing. When I'm warming up I throw to spots. In fact, I do that all the time — throw to spots."

"I use my fast ball in tough spots, and I change speeds on the

## BRAVES BEAT GIANTS; BUCS SPANK CARDS

By ED WILKS

Milwaukee's bombing Braves finally have gained some ground in that National League race—and they did it while being held without a home run for the first time in two weeks.

Using singles and doubles Wednesday night the Braves scored a 3-1 decision over San Francisco that handed southpaw Mike McCormick his first defeat and left the Giants in a first place tie with Pittsburgh.

The Pirates gained a share of the lead by beating St. Louis 4-2. It was Pittsburgh's seventh victory in eight games.

**Reds Beat Dodgers**  
Cincinnati defeated Los Angeles 5-4 in 12 innings in the only other game played in the NL. Chicago's game at Philadelphia was rained out.

The Braves beat McCormick, who won his first five, with a seventh inning run that broke a 1-1 tie. Reliever Don McMahon then saved it by getting Willie McCovey on a fly to center with the bases loaded in the ninth. Bob Rush (2-0) won it.

**Law Wins Sixth**  
Right-hander Vernon Law, who has lost one, became the first six-game winner in the majors, going all the way with a nine-hitter against St. Louis. The Cards, with manager Solly Hemus rumored on the way out, were blanked on six hits until the ninth while losing for the 14th time in 16 road games.

Pittsburgh scored twice in the first, then nailed it with two in the seventh against ex-Pirate Ron Kline (1-3).

Frank Robinson made it 4-all in the 10th with his two-run homer off losing Dodger reliever Danny McDevitt (0-1).

Bill Henry (1-1) won it with one-inning of relief after Jay Hook gave up 10 hits and four runs but fanned 10 in 11 frames.

The 30-year-old hurler has walked only seven batters in 70 innings, less than one a game.

## College Golfers Lost Last Match

Dick Schleicher's Gettysburg College golf team (2-5) wound up its season Wednesday afternoon by dropping a 14-4 decision to Juniata on the Gettysburg Country Club course.

Jim Guthrie topped Jim Williams 3 and 2 for the Bullets' lone victory. Wayne Chalmers and Stan Gudinski of Juniata tied.

## Bullet-Lehigh Game Cancelled

The Gettysburg College baseball squad made a futile trip to Bethlehem Wednesday, its final game with Lehigh being cancelled because of wet grounds. It will not be rescheduled.

During the season Coach Bob Hulton's Bullets won nine and lost nine. They lost their first five games before regrouping to end strong.

## Eastern League

By THE ASSOCIATED PRESS

If Frank Lane is trying to come up with a home run slugger to replace Rocky Colavito he might gander a look into his own Cleveland Indians' minor league chain.

The guy's name is Hal Jones. He may be a flash-in-the-pan or a few years away from the majors but you can't discount the fact that Jones has belted 10 homers in four weeks of Eastern League play.

Jones hit No. 10 Wednesday night in the second inning to help Reading to a 2-1 victory over Binghamton. A walk to Larry Brown, Bob Pedigree's single and a force play gave the Indians their winning run in the seventh.

The victory went to Pete Olsen and boosted the third-place Indians to within only seven percentage points of first-place Springfield, whose game at Allentown was rained out.

**8 For 16 Tries**  
Jones' log for the four game series, which Reading took 3-1, showed 8 hits in 16 times at bat, including three homers and four doubles and seven runs batted in.

In the only other activity Wednesday night second place Williamsport split a doubleheader with Lancaster, taking the first game 3-2 but dropping the nightcap 3-0 and missing an opportunity to take over first place. The split left the Grays only three percentage points out in the tight race.

**Shakes Ball Loose**  
The pile-driving crash by Rush shook the ball loose from Landrith's grasp and proved all the Braves needed to hand southpaw ace Mike McCormick his first loss after five straight victories.

Rush, a lumbering giant with little speed afoot, grounded a single in the tie-breaking seventh and moved to third on a long double to right center by Billy Burton. Red Schoendienst hoisted a fly to right about 300 feet from the plate.

The Braves elected to gamble. Rush was sent in to try to score after the catch. The big guy came charging down the line and appeared to be out by 10 feet as Willie Kirkland uncorked a strike to Landrith. Then came the crash.

"Landrith had the plate blocked and it was the only way I could get in," Rush explained.

**ORIOLES RECALL  
BONUS PLAYER**

BALTIMORE (AP) — Dave Nicholson, Baltimore's young bonus player, has a unique distinction. He is the only player ever recalled by a major league club for not hitting well in the minors.

Last spring, Oriole Manager Paul Richards optioned his 20-year-old slugger to Miami of the International League. It was Nicholson's third and last option. After that, a player sent to the minors is subject to draft.

"Nicholson will be recalled only if he does not hit well with Miami," said Richards.

At the end of a month's play, Nicholson's batting average was .269. If he had stayed with Miami another week, his third option would have been exercised and he would have been eligible for the draft next winter. Because he was recalled before the 30-day period, the option does not count against him.

**Tribe Sells Grim**  
The White Sox optioned outfielder Jim McNary and pitchers Don Ferrarese and Jake Striker to San Diego of the Pacific Coast League and sold pitcher Rip Coleman outright to Miami.

The Detroit Tigers sent Mike Rourke, a bullpen pitcher, to Denver of the American Assn. on a 24-hour recall basis and outfielder Em Lindbeck to the Louisville club outright.

The Boston Red Sox got under the wire after sending pitcher Red Worthington and infielder Ray Webster to Minneapolis of the American Assn. last Sunday.

The Kansas City Athletics released Wayne Terwilliger, a reserve infielder, to Richmond of the International League.

# MARTIN SAYS FENTON CLAIM IS NOT TRUE

HARRISBURG (AP)—The state highways secretary has denied a statement by a Republican congressman that the controversy over the federal area redevelopment bill was being used as a smoke screen to delay construction of the Anthracite Expressway.

Park H. Martin said Tuesday that Rep. Ivor D. Fenton (R-Pa.) spoke without knowledge of what the department is doing.

He added the department is proceeding with engineering and design studies on the proposed Harrisburg-to-Scranton highway without regard to any redevelopment legislation.

"We are not slowing down our work, nor will we, because of other types of legislation," Martin declared in a statement.

## Bill Was Vetoed

Fenton, in making his charge, said quick construction of the route "would be a far better contribution to eventually solving our economic problems than any area redevelopment legislation."

President Eisenhower vetoed the area redevelopment bill last week. It had been opposed by most Republicans, although some GOP leaders in Pennsylvania pushed for its passage to combat chronic unemployment.

Martin said the department is pushing forward the section of the expressway which will tie north of the projected Keystone Shortway. He said the 10-mile section hinges on location studies for the Short-

# Generosity Of U.S. Catholic Lauded

PITTSBURGH (AP)—America, which as late as 1908 was considered a mission territory by the Roman Catholic Church, today is the top financial contributor to the church's missions, says a Roman Catholic prelate.

Gregory Peter Cardinal Agagianian, head of the Congregation for the Propagation of the Faith in Rome, paid tribute to the generosity of American Catholics Wednesday. He addressed the annual reunion of the Alumni Assn. of the North American College of Rome.

"The Holy Father has always had a special interest for the church in America, and the church here has never failed the hopes the Pope has placed in her."

ATSUGI, Japan (AP)—Two hundred left-wing Japanese today demonstrated in front of the U.S. naval air station demanding the immediate removal of three U2 planes based in Japan.

SEOUL, South Korea (AP)—Former Justice and Home Minister Hong Chin-ki was arrested Wednesday night in connection with the investigation of the rigging of the March 15 presidential election.

way with which it will connect.

Martin said elected officials and others should inform themselves on the technicalities of the interstate program.

"There is a feeling on the part of some uninformed people that the entire program can be finished in about five years," he asserted. "Actually, the program is presently laid out to cover a 12-year period."

# EAST GERMANY READY TO MEET KHRUSHCHEV

By CARL HARTMAN  
BERLIN (AP)—Communist East Germany readied a gala welcome for Soviet Premier Nikita Khrushchev today, but the climax of his visit was abruptly soft-pedaled.

The Red regime urged its citizens to line Khrushchev's route from Schoenefeld Airport into East Berlin. Flags and slogans went up in profusion.

But plans for Khrushchev to address a mass meeting in East Berlin's central square soon after his arrival were changed. The official East German radio announced Wednesday night he would speak instead indoors on Friday afternoon.

Use Small Hall  
Some 250,000 persons might have been crowded into the Marx-Engels Platz for Khrushchev's first speech since the collapse of the summit conference. The Werner Seelenbinder Hall where he will speak holds only about 5,000.

No reason was given for the change.

Presumably Khrushchev's main business in East Berlin will be to discuss his future strategy on German issues with the Communist Party boss, Walter Ulbricht, and Premier Otto Grotewohl.

## No Peace Confab

There was still no expectation the Soviet Premier and the East German Red leaders would sign the World War II peace treaty

between the Soviet Union and the East German government which Khrushchev so often has threatened. But the general belief that any peace treaty would be preceded by a peace conference of Communist nations was put in doubt by Khrushchev's remarks at his news conference in Paris Wednesday.

The Soviet Premier said the peace treaty draft had been prepared and would be signed "when we consider the time to be right."

"We will sit down and sign the peace treaty and then announce it to the world," he declared.

Khrushchev made clear at the news conference that his aim to drive the Western allies out of West Berlin has not changed since he first raised the issue in November, 1958.

# POTTSVILLE'S UNEMPLOYED RATE HIGHEST

HARRISBURG (AP)—The State Bureau of Employment Security reports Pottsville has displaced Uniontown-Connellsville as the area with the highest rate of unemployment in Pennsylvania.

Pottsville had 18.7 per cent of its total civilian labor force unemployed as of mid-March, the bureau said Wednesday. Uniontown-Connellsville was second with 17.8 per cent, followed by Wilkes-Barre-Hazleton 14.6; Kittanning-Ford City 14.1; Scranton 13.3 and Clearfield-Dubois 13.3.

# SAYS BUTLER WAS 'IN DREAM' FOR SLAYING

By BOB VOELKER  
PITTSBURGH (AP)—John Butler, on trial for the pistol slaying of Sheriff James Lauer of Northumberland County, did not know right from wrong when the fatal shot was fired, says a Pittsburgh psychiatrist.

Dr. W. Lindsay Jacob said in Allegheny County Criminal Court Wednesday Butler was a psychopath and that his escape attempt was indicative of mental illness.

"He wasn't able to think clearly," Jacob testified. "He went into a panic state."

## Sheriff Killed

Dr. Jacob noted that Butler made no attempt to use the sheriff's car for a getaway, that he "ran off and hid under a bush" instead of fleeing the area and spent the whole night in hiding "in a dream-like state."

Butler was being transported to

Western State Penitentiary from Northumberland County last May 27 when he grabbed Lauer's pistol. The sheriff was shot and killed during the ensuing struggle. Butler then fled to a nearby wood where he was captured the next day.

## Emotionally Unstable

Dr. Jacob further testified that Butler was emotionally unstable and that he is suffering from a split personality which causes irrational behavior. He added that the 33-year-old Butler never had a close friend in his life.

Jacob's testimony was based on mental tests he gave Butler in jail. He was the defense's first witness. The state rested its case Wednesday after calling nearly 20 witnesses.

Mrs. Marjorie Matson, Butler's attorney, claimed in her opening address to the jury that Butler doesn't know the difference between right and wrong. Therefore, he should not be held responsible for the shooting, she said.

Mrs. Matson has indicated she would not put Butler on the stand.

# TEAM EFFORT BY GOP WILL WIN N.Y.: NIXON

By JACK BELL

WASHINGTON (AP)—Vice President Richard M. Nixon added up the score of a two-day visit and concluded today that Republicans can carry New York in November with a team effort.

The team he had in mind, by his own statement, included Gov. Nelson A. Rockefeller. The governor has been polite but seemingly unenthusiastic about Nixon's expected selection as the Republican presidential nominee.

Nixon himself was a model of circumspection Wednesday every time he dealt with the question of Rockefeller's announcement that he will not attend the GOP convention in Chicago. The question came up during Nixon's appearances in Syracuse, Auburn and Buffalo.

## Rocky A Possibility

Yes, Nixon said, Rockefeller certainly is a possibility for the presidency. Yes, Nixon accepts as final the governor's statement that he won't take second place on the ticket.

No, he had not presumed to ask county leaders to support him for the nomination in the face of State Chairman L. Judson Morhouse's proposal that the 96-vote convention delegation be kept uncommitted.

## No Coolness Indicated

Yes, he felt the Republicans could carry New York in the general election by a "major united party effort." This latter, Nixon told reporters later, indicates he thinks Rockefeller will go all out in New York to get him elected after he is nominated.

Nixon was obviously as pleased as a man who had hit a grand-slam homer when he wound up a round of enthusiastic receptions Wednesday night.

Republicans turned out in numbers that belied any coolness on their part toward the Californian who had crowded their own governor out of the presidential arena.

MANILA (AP)—Newsmen interviewing shapely contestants in a Manila beauty contest discovered Wednesday night that one thought ex-President Syngman Rhee of South Korea was a fashion model. Another had never heard of Soviet Premier Nikita Khrushchev.

GAZA (AP)—The United Arab Republic lodged a protest with the U.N. Armistice Commission today, charging three Israeli jets flew over a United Nations plane taking Prime Minister Nehru of India to the Gaza Strip.

## Catholics Claim Right To Give Guidance In Social, Political Work

VATICAN CITY (AP)—L'Osservatore Romano has reaffirmed the Roman Catholic Church's right to give guidance in social and political activities. The Vatican newspaper again warned Catholics against collaboration with Marxists.

The Vatican newspaper's editorial, entitled "Firm Points," was directed primarily at Italian Roman Catholics.

But Vatican sources said the editorial admonitions and directions are valid for Roman Catholics everywhere, including the United States, where Catholic Sen. John F. Kennedy is making a bid for the Democratic party nomination for president.

### Frown On New Plea

L'Osservatore Romano's editorial was prompted by the urging of leftist Christian Democrats that the almost entirely Catholic party seek support from the fellow-traveling Socialists.

L'Osservatore said the world today faces a period of "unknown and grave fears for the future, a preoccupying symptom, and great confusion of ideas."

The paper said this confusion of ideas was "especially true in some nations, even among Catholics, with regard to relations between Catholic doctrine and social and political activity, and between the ecclesiastical hierarchy and the Catholic laymen in the civil field."

### Called "Human Problem"

The paper asserted that "the political-social problem cannot be separated from religion because it is a highly human problem. As a consequence the church cannot remain aloof especially when politics touch the altar."

L'Osservatore said that it was the right of Church authority to instruct regarding political collaboration "with those who do not

admit religious principles."

"The irreducible antithesis between the Marxist system and Christian Doctrine is self-evident, as is that of materialism and spirituality, atheism and religious faith," said L'Osservatore.

Some opponents of Kennedy have contended that if elected president as a Catholic he would be subject to Church influence on his political decisions.

The senator was informed in Portland, Ore., Tuesday night of the Vatican newspaper's editorial. His press secretary, Pierre Salinger, said in a statement that Kennedy had repeatedly stated his support of the article of the U.S. Constitution providing for separation of church and state.

"He has said that this support is not subject to change under any conditions," the statement said.

## Abbottstown

ABBOTTSTOWN — Bids for the proposed new post office building must be submitted at the local post office no later than June 6. Individuals or firms may secure information from the local postmistress.

A surprise party of Gary Hoffheims was held Saturday night at the home of his parents, Mr. and Mrs. George Hoffheims, in celebration of his 18th birthday. About 30 persons attended.

## Church Opens Home In June

HARRISBURG (AP)—The Episcopal Church's home for the aged at Shippensburg will be ready for occupancy by mid June, reports the bishop of the Harrisburg Episcopal Diocese.

The Rt. Rev. John Thomas Heistand dwelt at length on the nearly complete home in his address Tuesday to the opening session of the diocese's two-day annual meeting.

He urged more financial support for the home which will accommodate 24 persons.

Most of the day was devoted to organizing the convention.

Balloting was begun for places on the standing committee, the executive council and for delegate posts to the provincial synod and the 1961 National Episcopal convention.

Results were to be announced Wednesday.

Diocesan officers re-elected Tuesday were:

Samuel A. Burns, Harrisburg, treasurer; The Rev. Frederick V. Holmes, Wellsboro, registrar; David Reese, Harrisburg, chancellor, and Col. John Dubbele Jr., Harrisburg, secretary.

and Mrs. Homer Hafer, Mr. and Mrs. Roger Wildasin, Mr. and Mrs. Faber Wildasin attended Tall Cedars convention at Atlantic City over the weekend.

Local Boy Scouts will sponsor a blood typing unit this evening at 7:30 o'clock in the fire hall. All persons interested are asked to contact the Scout committee. The Scout troop will hold a dance June 4 in the fire hall.

Mrs. Donald Crawford was hostess to a surprise stork shower recently for Mrs. George Spahr, East Berlin. About 20 guests attended.

A son was born Monday, May 16, to Mr. and Mrs. Ralph Butt, Hanover. Mrs. Butt is a son of Mr. and Mrs. Elmer Butt, this place.

## REPUBLICAN FIGHT LOOMS FOR CHAIRMAN

By RICHARD L. GRAVES  
HARRISBURG (AP) — Republican State Chairman George I. Bloom has predicted the chairmanship of Pennsylvania's 70-vote delegation to the GOP national convention will be contested Friday.

He said the contenders will be U. S. Sen. Hugh Scott and state Sen. M. Harvey Taylor.

"We will hold the voting at an open session," said Bloom. "We will not close the (Philadelphia) meeting unless there is a motion to do so backed by a majority of the delegates."

Bloom made the prediction today after he was asked if Scott, prominently mentioned as the probable delegation chairman, had any opposition. The state chairman said "I see no opposition to Scott, if Sen. Taylor is not a candidate."

Wasn't Seeking Office  
Taylor previously indicated he was not seeking the chairmanship, but would accept it if offered.

Taylor, contacted at home, was asked if he had withdrawn his candidacy for the chairmanship. "No, I have not withdrawn," he said.

He was then asked if he was an active candidate for the chairmanship.

"I have nothing to say on that," said Taylor. He terminated the interview.

Pennsylvania's convention delegation is virtually solid for Vice President Nixon's candidacy for President. The state delegation

## Bank Employee To Face Theft Charge

ATLANTIC CITY, N. J. (AP)—A 33-year-old bank employee was arrested Tuesday by the Federal Bureau of Investigation and charged with embezzling \$9,000.

Joseph L. DeLuca, of Brigantine, who had been assn. treasurer and manager of the Chelsea Bank and Trust Co., was accused of misapplying \$9,000 in federally protected bank funds and credits.

DeLuca, a bank employee since 1952, was released in \$2,000 bond following a hearing before U. S. Commissioner William E. Stringer.

chairmanship could be important in maneuvering for the vice presidential nomination.

Former Sheriff Austin Meehan, of Philadelphia, and Andrew Gleason, Johnstown, have both announced they favor Taylor's chairmanship. They represent a sizable number of delegates.

However, Scott backers contend he has more than the necessary 36 votes for election as delegation chairman.

Bloom said he expected re-election Saturday as state chairman by the 113-member state committee. No public opposition has developed.

Also at stake at Saturday's biennial reorganization meeting may be the post of national committeeman to replace Jay Cooke, Philadelphia financier. Cooke has indicated he will not seek re-election.

Bloom said he talked to Cooke Tuesday night "but so far I have been unable to get him to run for re-election."

Mrs. Ruth Glenn Pennell, Mifflintown, the state's national committeewoman, is expected to be re-elected without opposition.

## GREAT LAKES SHIPPING HIT BY STRIKES

CHICAGO (AP) — Great Lakes shipping, hit by strikes and picketing at six ports, was further snarled Wednesday when a work stoppage on docks at Chicago became general.

Some 2,500 longshoremen were idled by the stoppages, 2,000 of them at Chicago's North Pier and Calumet terminals.

The newest walkout, by Local 19 of the International Longshoremen's Assn., came after a stalemate developed in talks with Chicago terminal operators.

The big issue is a wage hike. The ILA has been pressing for a basic wage of \$2.75 an hour for its 10,000 members in some 30 lakes ports. Current rates vary from \$1.78 to \$2.35.

Situation Elsewhere  
The situation in other ports: Cleveland — Strike affected 270 workers, but since ships operators apparently anticipated the walkout and did not send ships to the port no ships were tied up.

Buffalo, N.Y. — ILA members picketed the port terminal, seeking recognition of the union by the terminal lessee, International Terminal Steamships Inc. Templeton terminal nearby was not affected because the ILA and the stevedoring firms have a bargaining agreement.

Erie, Pa. — A two-day strike by 45 longshoremen was ended late Tuesday by an injunction issued to the Western Stevedoring Co. by Erie County Court. Hearing on the injunction was set for May 23.

## Widow Killed By Hit-And-Run Auto

ANDALUSIA, Pa. (AP) — A 50-year-old Bucks County widow was killed by a hit-and-run auto Tuesday night while walking near her home on the Bristol Pike in this Bensalem Township community, police reported.

Mrs. Mary Petillo was dead on arrival at Lower Bucks County Hospital in Bristol Township.

Friends of Mrs. Petillo said she left her home shortly before the accident to visit a neighbor who owns a store nearby.

Mrs. Petillo operated a beauty salon. She is survived by a son, Francis, 19. Her husband, Frank, died last year.

JERUSALEM (AP)—Pennsylvania Gov. David Lawrence says there is a strong feeling in America that the United States has not had a strong foreign policy toward the Middle East.

If there had been a strong American policy, Lawrence added Tuesday, "we would have been further along toward peace."

BALTIMORE (AP) — The same Democrats have been given another opportunity to fill Maryland's 7 seats in the House of Representatives.

All won renomination in Tuesday's primary, even the most seriously challenged coming out on top handily.

### REAL 'FIRE WATER'

HECTOR, Minn. (AP)—Underground gas, believed to be methane, permits a blue flame to burn from water faucets here although it doesn't affect quality of the water. City officials hope engineers can solve the "fire-water" problem.

## STRIFE-TORN HOLY TRINITY NOW EXTINCT

GARDEN CITY, N.Y. (AP)—A strife-torn Brooklyn parish has been declared extinct by the annual convention of the Protestant Episcopal Diocese of Long Island.

Controversy at the Church of the Holy Trinity began 11 years over the left-wing activities of the Rev. William Howard Melish.

He was present at the 93rd annual convention Tuesday at the Cathedral of the Incarnation church house. Neither he nor any member of his faction of parishioners raised a voice against the surprise action.

### Closed Three Years

The Rev. Mr. Melish, who was forced out as supply priest at Holy Trinity about three years ago, has repeatedly denied any Communist connection. When the parishioners first split over his activities, he was head of the National Council of Soviet-American Friendship.

The church has been closed for almost three years on orders of the Rt. Rev. James P. DeWolfe, bishop of Long Island.

A petition to declare the parish extinct—adopted without a dissent—was presented to the bishop by the rector, the Rev. Dr. Herman S. Sidener, two wardens and six vestrymen. Among the reasons they cited were that the church no longer had sufficient male members to serve as wardens and vestrymen.

Aristotle, some 2,300 years ago, said: "Even when laws have been written down, they ought not always to remain unaltered."

## Teen-age Affairs Of Heart Is Commonly Complicated

By VIVIAN BROWN  
AP Newsfeatures Writer

Should a girl kiss on a first date? That's always a big problem when it becomes an issue, as this latter indicates:

"I dated a boy that I had known casually for a long time. He seemed disappointed that I did not kiss him when he brought me home. Was this a mistake? Do you think he will call me for another date?" a 17-year-old asks.

It was not a mistake to refuse to kiss him, if that is the way you felt. If the kiss were meant in an affectionate fashion only, there would have been nothing wrong with it, since you have known the boy for some time. Many boys are likely to have pent-up emotions about a date such as this, however, particularly if they have been waiting a long time for it, and they may reflect this desire in a fashion that fairly devours the girl. In that case, it is wise to stave off a kiss. There are boys who have been catered to by their families for so long that they are likely to be miffed at any refusal of their whims, so it is hard to tell, without knowing the boy, whether he will call you again.

### When To Marry

"Is there any special age when a girl is right for marriage?" asks another girl. "I am 18, and my parents say I am much too young to become engaged. I am dating a lovely boy, but I am afraid he will not wait if my parents do not say that we can be married within the year."

People are ready for marriage when they are emotionally ma-

ture and can support themselves. Your parents may be taking either of those factors into consideration. They should give you a fair reason for asking you to wait. The boy should certainly wait for you, if he loves you, and if he is anxious to settle down with good intentions about supporting you. He should be able to convince your parents that he can do that.

### Sister's Lament

"Do you think sisters should be made to dress alike?" writes a clothes-conscious miss. "My mother likes to pretend that we are twins, and she has been doing this since we were babies. I am 15 and my sister is 16. It is very embarrassing when we go out on a date as it makes us look old-fashioned. We seem hopelessly out of step."

It does seem odd that your mother has this peculiar yen to dress you alike, and especially now when it would seem that you are old enough to break away from this act. Maybe you can do it gradually by planning different recreations that require different apparel. In that way you could exhaust the monotony of this situation, perhaps once and for all.

### Eternal Triangle

"I am dating two boys who are very jealous of each other. They talk about each other to me, but I like them both and continue to see them when I feel like it. Each one has asked me to go steady, but I don't want to do that as my family says I am too young. Is this wrong?"

You are a very smart girl, who defeats the argument of the

## Khrushchev In Playful Mood

Soviet Premier Nikita Khrushchev holds an axe at the stomach of a French woodchopper before chopping wood during visit to the village of Pleurs, a little over 60 miles east of Paris. Khrushchev insisted there can be no summit conference unless the United States apologizes and punishes those responsible for the U-2 flight over Russia. (AP Photo by radio from Paris)

## 4 DEMOCRATS BACK LEADER

WASHINGTON (AP)—Four top Democrats backed President Eisenhower's hand at the abortive summit conference with a cablegram asking him to give Nikita Khrushchev their view that the Soviet premier should reconsider his suggestion for postponement of

the conference until after the U.S. elections.

The message, it was disclosed Wednesday, was sent to Eisenhower Tuesday with the signatures of:

House Speaker Sam Rayburn of Texas.

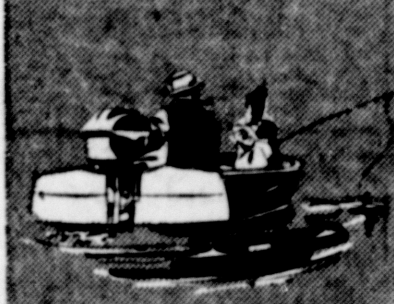

Sen. Lyndon B. Johnson of Texas, Democratic leader of the Senate.

Adlai E. Stevenson, Democratic presidential nominee in 1952 and 1956.

steadily dater who claims she likes to be sure of a boy, so she'll always have him available for special occasions. In your case, you seem to have two on tap, and there is no harm at all in this relationship, even though the boys seem to be trying to convince you that each should be tops in your affections, which is a perfectly natural reaction to the situation.

Sen. J. William Fulbright of Arkansas, chairman of the Senate Foreign Relations Committee.

The message said:

"As leaders of the Democratic party of the United States, we earnestly urge you to convey to Premier Khrushchev the views of the opposition party in your country that he reconsider his suggestion for postponement of the summit conference until after the national elections in this country."

"We feel that total failure of the conference and increasing mistrust on both sides will be serious and deeply disturbing to the whole world."

"All of the American people earnestly desire peace, an end to the arms race and ever-better relations between our countries. We ask you as the leader of this nation to see that these views are conveyed to Mr. Khrushchev."

## Psychiatrist Says World Peace Hope Depends On How Children Are Reared

PHILADELPHIA (AP) — A prominent psychiatrist said today the only hope for world peace and happiness is to raise children in love.

Dr. Leon J. Saul, chief of preventive psychiatry at the University of Pennsylvania, asserted "The kind of world we have, filled with cruelty and folly, is the result of behavior in adults shaped by their rearing as children."

"The child who grows up hating his parents, for the rest of his life harbors hate to others."

**The Critical Years**  
He made the comments in key-noteing the first regional institute on "Rearing Children of Good Will" sponsored by the National Conference of Christians and Jews. Saul said the critical years of child rearing are between birth and age 6.

"All the many mistakes of parents, all the injurious influences to which young children are subjected, especially during their truly formative years," he said, "produce all the problems of adults and of the world."

**Many Atrociously Reared**  
"Since most children are badly, even atrociously reared, hostile adults abound all over the world. They become the criminals and tyrants."

"There is such a high percent-

This does not mean that he would necessarily oppose Khrushchev. There are plain indications, however, that within the armed forces there has arisen a hard core of resentment which could ally itself with political forces opposing Khrushchev's foreign and domestic policies.

**"Immune To Pressure"**  
The Soviet army has long regarded itself as immune to the pressures which play upon other elements in the dictatorial society. This is particularly true of its officer corps. They are known to have resented the cuts in the armed forces which Khrushchev directed in order to give emphasis to the peace offensive which — up to now — has colored his foreign policy.

At the Paris conference, Khrushchev seemed to be unusually attentive to Malinovsky. The question naturally arose whether there was any connection between this and Khrushchev's startling performance.

In two days, the Soviet Premier rolled back the years to the edgy and dangerous days of 1948 — when Joseph Stalin stalked Berlin. Not in the 12 years since have feelings between the Soviet Union and the United States been so taut.

Who is responsible for Khrushchev's sudden shift? Is it, the army, allied with certain politicians? If so, where does Malinovsky stand?

## MALINOVSKY KEY MAN IN RED REGIME

By WILLIAM L. RYAN

Associated Press News Analyst

PARIS (AP) — Some Western observers see Marshal Rodion Malinovsky, Soviet Premier Nikita Khrushchev's constant companion at the stillborn summit conference, as a man whose influence may play an important role in Kremlin politics.

The stocky, square-jawed Soviet defense minister would probably play an important part in any struggle for power that developed in the Soviet Union.

## Cold Chamber Tests Used To Find Exposure Limits

By RUSSELL LANDSTROM

PHILADELPHIA (AP) — Have shorts, will shiver. Thus hundreds of men might have responded to intriguing newspaper ads for healthy men between 20 and 30 for a vital—and very rough—experiment on behalf of the Army.

The applicants must try to spend 10 days practically naked in a researchers' icebox. Most of them fail to get beyond the first screening.

### At Lankenau Center

Between the human guinea pigs and 42 to 45-degree above zero cold—actually 40 below to them since they are so exposed—are only their thin underpants. Some have a single blanket at night. Others have taken the test with no such covering.

The project was unveiled in a news conference Wednesday in Lankenau Hospital's new research center.

Its purpose is to find out what happens to the human body and mind when food and environment are rigidly controlled.

Usually two men are put into the cold chamber at a time. Nurses and doctors watch them through windows, alert for behavior changes. Special devices, strapped to the men's bodies, measure heart beats, blood pressure and energy. All this is recorded by other mechanisms, developed by the Brown Instruments Division of the Minneapolis-Honeywell Regulator Co.

### Study Various Diets

For diversion the men play chess and checkers, watch television and listen to the radio, read newspapers and magazines. They are required to rest on open web cots much of the time, exercise at least twice a day, either on a stationary bicycle or a treadmill.

Four diets are tested, one of 1,500 calories, the other 3,000. Two are high in protein, found mostly in red meat, fowl and dairy products and considered an energy builder. The others have the same calorie count but no protein.

Then, through analysis of body wastes and expired air, the scientists learn what happens to each man's protein balance.

## RED SPY CASE WAS SETTLED WITHOUT FUSS

By TOM BENTON

BUFFALO, N.Y. (AP) — The case of a Soviet employee of the United Nations secretariat, caught spying at the time of Premier Nikita Khrushchev's visit to the U.S. last year, was handled efficiently and without an international uproar, says Vice President Richard M. Nixon.

Nixon contrasts the incident, reported officially for the first time Wednesday, with Khrushchev's use of the U2 spy plane incident to scuttle the summit conference in Paris.

Despite the apparent possibility of a return of the East-West cold war, however, Nixon declared that he doubted Khrushchev would resort to force.

"He believes he can gain his objective of world domination without war," the vice president declared in a speech at a sales

executives' convention. Nixon said the Western nations must prove they have the stamina to resist.

### Red Was Expelled

The revelation of the Soviet spy case enlivened the wind-up of the vice president's upstate New York tour. It took Nixon almost the entire day, in fact, to fill in the details of the incident, which ended last January with the expulsion of the Soviet U.N. employee. He was identified at U.N. headquarters as Vadim [A. Kirilyuk, a former political affairs officer in the territorial research and analysis section of the trusteeship division.

At first Nixon said that two members of the Soviet U.N. delegation had been caught spying in Illinois at the very time Khrushchev was addressing the U.N. in New York. Later, an aide said Nixon meant to say the incident was in Springfield, Mass.

### American Is Cleared

Then Nixon confirmed that the pair actually had not been arrested. Later, at a news conference, he said one, a U.N. secretariat employee, had been sent home after an investigation by Dag Hammarskjöld, U.N. secretary-general.

and daughter, Susan, Wheaton, Md., spent the weekend with relatives in and near town.

The Pirates of the Littlestown Little League will practice on Saturday at 2 p.m. on McSherry Field. There will be an exhibition game between the Pirates and the Orioles at 6 p.m. on Monday. The Phillies will practice at 6 p.m. on Tuesday.

## Mark Mother's Night

Mother's Night was observed by the Junior Woman's Club of Littlestown with the annual banquet held Wednesday evening in

the Starlight Room, Dutterer's, S. Queen St. Sixty-five club members and guests were in attendance. A turkey dinner was served following the invocation by Mrs. Kent E. Daum. Mrs. Richard A. Little Jr. was toastmistress and introduced the speaker, Mrs. Carl H. Baumgardner, of the Littlestown High School faculty, who presented an appropriate message. Each lady present received a potted plant. Arrangements for the affair were in charge of the publicity committee, composed of Mrs. Wilbur J. Gobrecht, chairman, Mrs. Daum, Mrs. Little, Mrs. William Grove, Mrs. Dale Moose, Mrs. Otto C. Sells, Mrs. Gene R. Renner, Mrs. Richard Emerson, Mrs. John Krout and Mrs. Edward Runk.

The club will hold its next regular meeting outdoors on Wednesday, June 8, 8 p.m. at the home of the retiring president, Mrs. Richard N. Greenholt, E. King St. Installation of the newly-elected officers will take place. The membership committee, comprising Mrs. Edward L. Warner, chairman, Mrs. Clarence L. Schwartz Jr., Mrs. Clyde W. Crouse, Mrs. Herbert J. Sell, Mrs. Robert Kress, Mrs. Conrad C. Hull, Mrs. Larry Epley, Mrs. Robert R. Reinman, Mrs. Larry Sheets and Miss Nancy Oaster.

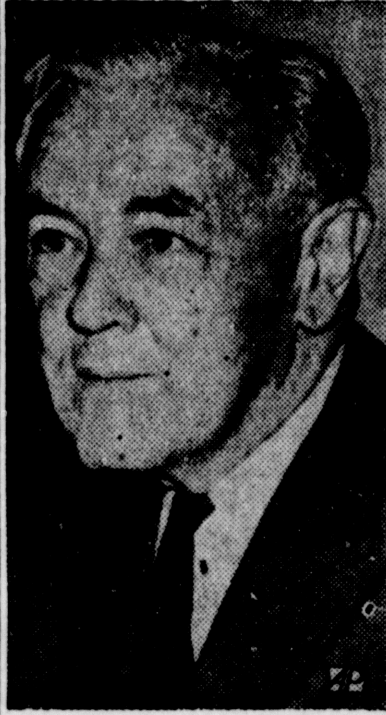

## Farewell Assembly

The Seniors of the Littlestown High School presented their annual farewell assembly program on Wednesday afternoon for the student body and faculty in the school auditorium. Bruce Stair, student body president, led the opening devotions, and Fred Dutterer, senior class president, presided.

The class history was read by Marietta Weikert, historian; vocal selection by George Koons, Clay Rebert, Larry Myers, Ronald Yingling, Ronald Brown and Dwight Leatherman, accompanied by Darlene DeHoff; class will read by Edward Leister; take-off of a television program, when the seniors, of station WHS, exchanged humorous gifts; George Koons was announced for the television take-off; presentation of the school colors by Fred Dutterer to James Kroh, president of the class of 1961; presentation of the senior class seats to the juniors; class song by the group.

The senior class advisors are Mrs. Louella Baumgardner and H. Dean Stover. A picnic was enjoyed by Intermediate Girl Scout 45 on Wednesday after school at the home of Mrs. John H. Flickinger, N. Queen St., leader. There was a softball game prior to the picnic supper. This was the last meeting until fall of Troop 45. The leaders, Mrs. Flickinger and Mrs. John Kump, distributed registration blanks for the day camp to be conducted June 20-24. Registrations close on June 3.

## 2 RAILROADS PLAN MERGER

BALTIMORE (AP)—Two of the nation's major railroads, the Baltimore and Ohio and the Chesapeake and Ohio, have made their first move toward merging.

Boards of directors of both lines have approved a proposed stock exchange. It must still be concurred in by stockholders of both firms and the Interstate Commerce Commission.

A joint announcement from President Howard E. Simpson of the Baltimore and Ohio Railroad Co. was made in Baltimore Wednesday night after a meeting of the B&O board in New York.

## Exchange Of Shares

Terminating it "the first step toward a merger of the two properties," the announcement said the proposal was for "an exchange of shares of Chesapeake and Ohio common stock to all holders of Baltimore and Ohio preferred and common stock on the following basis:

"Our Chesapeake and Ohio share for each one share of Baltimore and Ohio preferred; one Chesapeake and Ohio share for each one and three-quarters shares of Baltimore and Ohio common."

The B&O, the nation's oldest railroad, has headquarters in Baltimore. The C&O, with headquarters in Cleveland, is the largest coal-carrier in the country.

Domenico Scarlatti, Italian opera composer (1685-1757), pioneered in sonata form.

## PROGRAM FOR ST. ALOYSIUS 8TH GRADERS

Approximately 75 attended the annual entertainment of the graduates of the parish from the various schools and their mothers held by the St. Aloysius Parish Council of Catholic Women on Wednesday evening in the parish hall.

Those who will leave the Eighth grade of the parochial school who were in attendance were Faith Redding, Janet Krichten, Mary Ellen Ozinski, Nancy Harner, Anna Louise Krichten, Sarah Busbey, Emily Smith, Patricia Wright, Mary Ann Rang, Suzanne Waver, Joyce Hymiller, Charles Thomas, James Werhime, Jerome Oyer, James Long and Larry Alloff; from Rolling Acres Sixth grade: Robert Sneeringer, Leroy Weaver, Ronald Reed and David Redding; from Littlestown High School: Daniel Collins, Paul Hanlon and Cecelia Gouker; from Delone: Pius Pautenis, Ronald Oaster, Joseph Rang, Carol Purdue and Betty Eckenrode. Each graduate was presented with a ballpoint pen wrapped as a diploma with blue and white, the school colors. Table decorations were cut flowers and diplomas and the stage had a shrine in honor of Mary, the Mother of God, for May, her month.

The pastor, the Rev. William A. Boyle, said grace prior to the smorgasbord and he spoke to the graduates and their parents at the conclusion of the meal. Father Boyle extended congratulations and then told the students: "If you have any ambition to make good in the educational field, you must study and keep on studying; you must discipline yourselves and you must pray that God will guide you in your choice of vocation. The priest said that geniuses are very rare and most successful men and women are the ones who worked for their education."

## Hold Business Meeting

The pastor also announced that he will leave today to enter Misericordia Hospital in Philadelphia and that the Rev. Thomas F. Lawler, will be assistant pastor, coming here from Sacred Heart Church, Lewistown, next Tuesday.

A business meeting was held by the council with the president, Miss A. Marie Budde, in charge. Reports were heard from Mrs. Francis Prato and Mrs. C. Donald Bowser. The monthly message of the national president was read by Mrs. John L. Redding, vice president, and concerned the national convention in Las Vegas in October.

Mrs. George P. Smith, parish delegate, gave a resume of the proceedings at the annual convention of the Harrisburg Diocesan Council in Sunbury recently. Mrs. Noah C. Snyder noted the names of the sick of the parish. It was decided to send flowers to the pastor during his hospitalization and convalescence and plans were made for a spiritual bouquet from the parish. Members of the council will accept spiritual offerings from members of the congregation following Sunday Masses and a register also will be signed to be sent to the pastor.

## To Furnish "Rec" Room

There was a discussion on the possibility of additional furnishings for the recreation room in the basement of the parish school—stove, sink, drapes, etc., and a committee to include the president, Mrs. Z. W. Sanders, Mrs. Thomas G. French and Mrs. Lester Redding will investigate the purchase of the needs.

A letter was read on necessity of bolstering the special diocesan needs fund, with the hope that each parish council in the diocese will raise the equivalent of 10 cents per soul. Plans were made to publicize this fund raising project several weeks in advance of the actual collection next time it is taken. Twenty-five dollars was voted to the seminary fund. The guess package was received by Mrs. Stewart Long.

Group games were enjoyed with the guests of the evening participating. The evening's festivities were in charge of the following committee: Mrs. Ivan D. Rickrode, Mrs. R. G. Lain, Mrs. Donald Dietrich, Mrs. Thomas L. Cookson, Mrs. George B. Sneeringer, Mrs. Katherine Cochran, Nancy Oaster, Mrs. Robert J. Eckenrode, Mrs. Burnell M. Keagy, Mrs. Thomas Collins, Mrs. John Jacobs, Mrs. Marvin Morgret, Mrs. William May and Mrs. John E. Matland. The parish council will not meet during June, July and August. The incoming officers will serve as the committee for the first fall meeting in September.

## Major League Stars

By THE ASSOCIATED PRESS  
Pitching — Camilo Pascual, Senators, extended his shutout string through 26 innings, longest of the year in the majors, with five-hit, 3-0 victory in 11 innings over Tigers.

Hitting — Ed Bailey and Frank Robinson, Reds, beat Dodgers 5-4 in 12 innings with Bailey's single scoring Robinson for the clincher after Robinson's two-run homer tied it 4-all in 10th and Bailey's sacrifice fly scored Robinson for 2-2 tie in eighth.

## Old Ft. Dearborn Still A "Stop-off"

CHICAGO (AP)—Old Ft. Dearborn, founded in 1803, exists no more, but thousands of motorists each year are forced to halt at the location.

The site of the fort now is the south approach to the busy double-deck Michigan Ave. bridge over the Chicago River. Motorists pause at the fort site every time the huge bridge opens for Great Lakes cargo ships.

## Many Of Nation's Children Are Below Par Physically

By DOROTHY WHIPPLE, M.D.  
AP Newsfeatures

Our muscles are part of us. To be really healthy we must have muscles strong enough to be able to carry on the activities of everyday living. If we are city or suburban dwellers we do not need the muscular powder of a champion athlete, but we do need muscles able to hold our bodies in good efficient posture to move us about without undue fatigue. Muscles do not develop adequately without exercise.

There is a good bit of evidence to indicate that the softness of American life is depriving our children of the opportunity to grow muscles strong enough even for the sedentary life many of us lead. We are becoming a nation of the physically unfit in spite of our excellent medical care. When health is measured in terms of freedom from disease and good nutritional status America is one of the healthiest countries in the world, but measured in terms of muscular fitness we are out-ranked by all of Europe.

**Physical Fitness**  
Bonnie Prudden, director of Institute of Physical Fitness, made a study of the physical fitness of American school children compared with similar groups in Italy, Austria and Switzerland. She discovered that over 50 per cent of American children failed to meet the minimum standards of physical fitness and that less than 10 per cent of the European children were in this low group.

The tests used by Miss Prudden were those known as the Krass-Weber Tests for Minimum Physical Fitness.

There are six tests in all. They are very simple. All children over 4 years old should be able to do them easily. Try them out with your children.

**Test 1.** Child lies flat on his back, hands under head. He is instructed to sit up. He should be able to do so without using his hands to help him.

**Test 2.** Same as 1 except that legs are bent at the knees.

Tests 1 and 2 determine the strength of the abdominal muscles.

**Test 3.** Child in same position. He is instructed to raise his feet about 10 inches, keeping his legs straight, and hold the position 10 seconds.

**Posture Test**  
This test is for adequacy of muscles used in running and in keeping the body in good posture. **Test 4.** The child lies on his abdomen, a small pillow is placed under his hips. With his feet held down by the examiner

## Mark Twain: Sage Of The Gilded Age

By CHARLES STAFFORD  
The Associated Press

At 6:22 in the evening death came quietly to Mark Twain.

He had collapsed the day before, but he awoke this morning stronger. He asked for Carlyle's "French Revolution," which he had kept close by for the last year, reading it, rereading it, brooding over it.

He read a little, then laid the book aside with a weary sigh and closed his eyes. His ailing heart kept time down the afternoon, but at last it stopped and Twain the mortal welcome the silence he had awaited impatiently for six years.

It was April 21, 1910.

Today, a half-century later, the immortal Twain is as lively as ever.

And his immortality, long suspected, is now verified: the Russians claim him as their own. His works, they say, "depict his undaunted criticism of the capitalistic society and his common interest with the masses."

What an indictment for a man who wanted so mightily to be a million.

**Was Self Taught**

Mark Twain: rare is the school-boy who doesn't know his real name was Samuel Langhorne Clemens. Or that he grew up in Hannibal, Mo., on the banks of the river he later memorialized, the Mississippi. Or that he quit school at 13, but was tutored by his own curiosity in an itinerant career that included typesetting, riverboat piloting, prospecting and newspapering. Or that he wrote "The Adventures of Tom Sawyer" and "Huckleberry Finn."

Mark Twain: a riverboat term meaning two fathoms — 12 feet. But there was nothing so exact

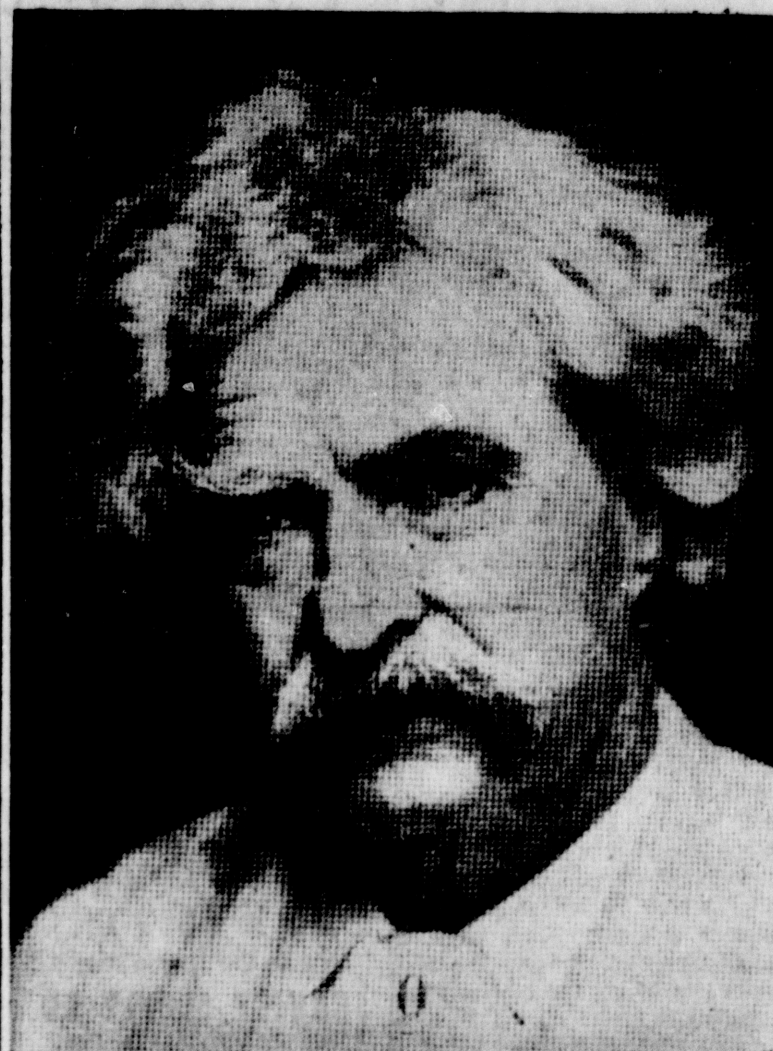

he is instructed to raise his trunk and hold it steady for 10 seconds. **Test 5.** Same as 4 except child is instructed to raise his legs, keeping knees stiff while his trunk is held down by the examiner.

**Test 6.** Child stands on his feet and bends forward to touch knees to floor without bending knees.

The child who can successfully perform these six tests has the minimum physical requirements for a normal life.

**Begin Early**  
Body building begins in infancy. The child with ample opportunity to exercise his body should have these tests by the age of 4 or 5, surely by the age of 6. If he cannot pass the test at 6 he can strengthen his muscles by specific exercises without too much struggle. If at 10 he fails he will have to work harder to make the grade, at 16 it may be impossible for him to repair the damage done to a muscular system permitted to develop without adequate exercise.

Bonnie Prudden has written a book, "Is Your Child Really Fit?" published by Harper and Brothers, New York. In this book she gives the results of the survey mentioned above and outlines exercises that will improve the muscular strength of children.

MARK TWAIN, who died 50 years ago April 21.

about Mark Twain, the man. He lived a life of contradictions — despising greed but seeking wealth, laughing at life through pessimism, preaching but unbelieving.

Mark Twain: How can you measure his immortality?

He was a great humorist, some say. Others call him a perceptive critic of human weakness. A clergyman who eulogized him labeled Twain a seer who "saw into the very depths of things, beneath the forms of things, deep into the soul."

"Clemens was sole, incomparable, the Lincoln of our literature," said William Dean Howells. Twain's beloved Susy, in her biography of her father, said, "He is as much a philosopher as anything, I think."

**Humor Was Enduring**  
And they were all right. And so was Charles Major who said: "All that he wrote was half fun and whole earnest."

And enduring. For Twain's humor was based on human nature, a remarkably unchanging foil.

More than 80 years after it was written, Twain's humor still sells. In recent months film makers have again produced "The Adventures of Tom Sawyer" and are working on "Huckleberry Finn." A young actor, Hal Holbrook, has made a notable success with his portrayal of Mark Twain on the lecture platform.

Humor, which Twain defined as "the good-natured side of any truth," was the ball of snow in which he encased his rock-like opinions.

"If you pick up a starving dog and make him prosperous, he will not bite you," said Twain. "This is the principal difference between a dog and a man." So much for his opinion of man.

Of politicians: "I think I can say, and say with pride," said Twain, "that we have some legislators that bring higher prices than any in the world."

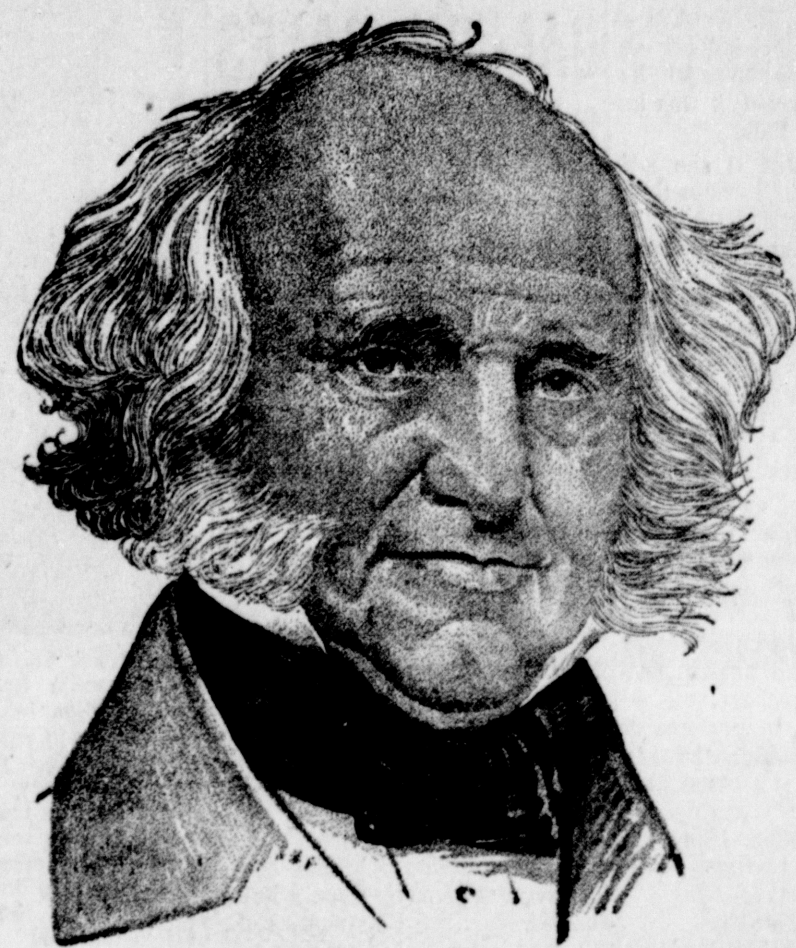

**Crook Stays In Worm**  
Of reform: "To tell the truth, I don't believe this reforming sticks very well anyway. I've always clung to the theory that you can straighten a worm out, but the crook is still in him, and only waiting."

Of conformity: "A new style in women's dress appears, and the passers-by are shocked and the irreverent laugh. Six months later — nobody laughs. Why, if Eve should come again, in her ripe

There was things which he stretched," says Huck, "but mainly he told the truth."

## MR. PRESIDENT

by Patrick and Vinmont

MARTIN VAN BUREN

Born December 5, 1782, in Kinderhook, New York. He attended the country school and Kinderhook Academy. At 17 he was employed as a clerk in a law office in New York City and at the same time studied law. Four years later he was admitted to the bar.

He was early noted for his intelligent observation of public events. At 38 he was a United States Senator having previously served as a state senator and state attorney general. Re-elected a United States Senator, he resigned to become governor of New York and then resigned that office to become Jackson's Secretary of State.

He was elected and served as Vice-President of the United States, 1833-37. Elected President in 1836, he was inaugurated the eighth President of the United States, March 4, 1837.

With the Seminole War dragging on, revolutions in Ontario and Texas and the panic of 1837, his administration was full of problems. His action in separating the state banks from the government and holding the funds of the nation in an independent United States treasury defeated his re-election.

He also lost the nomination in 1844, and was defeated when he ran for President on the Free Soil ticket in 1848. In retirement the remainder of his life, he died at Kinderhook, N. Y., July 24, 1862, aged 79.

### RICHARD MENTOR JOHNSON

Born at Bryants Station, Kentucky, 1781. He attended Transylvania University. As a young lawyer, 24 years of age, he was elected a member of the Kentucky Assembly. Two years later he was elected a member of Congress, serving continuously 12 years. He then served as a United States Senator, 1819-29, and again as a Congressman, 1829-37. During the War of 1812, he left his seat in Congress, and as a colonel commanded a regiment under General Wm. Harrison. When he returned, Congress presented him an honorary sword for his and his regiment's meritorious service.

Nominated for Vice-President, 1836, he was one vote short of a majority in the electoral vote. The Senate, by virtue of the 12th Amendment, had to choose between the highest two of the five candidates. He was chosen — the only case in which the Senate has chosen a Vice-President. Defeated for re-election with President Van Buren, 1840, he sought the Democratic nomination for President in 1844 and 1848. His last public service was in state politics as a member of the Kentucky House of Representatives, 1841-42. He died, 1850.

### MRS. ABRAHAM VAN BUREN

Angelica Singleton, an attractive Southern belle, born in North Carolina, a cousin of Dolly Madison, married Abraham Van Buren, the oldest son and private secretary of President Van Buren in 1838. For two years the President, a widower, and his two sons had managed without a hostess in the White House. Van Buren married his childhood playmate, Hanna Hoes in 1807. Born in 1783, she died in 1819.

As hostess for her father-in-law, young well educated and socially trained Angelica performed her duties with such grace and lightness of spirit as to win the praise and admiration of everyone. Socially prominent throughout her long life, she died in 1878.

## WE STICK TO OUR LASTS

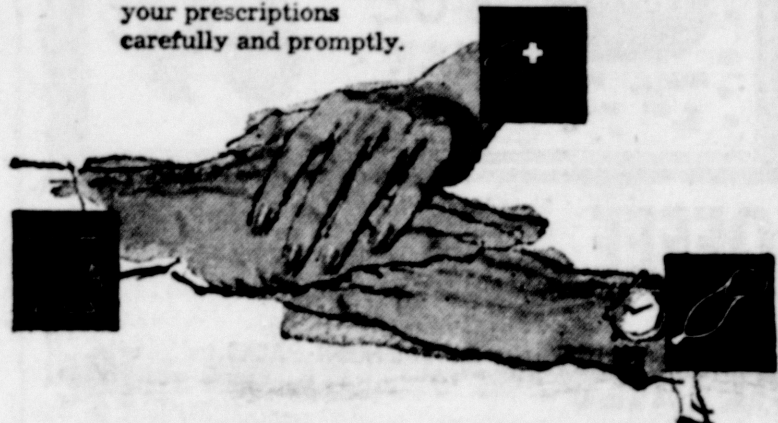

There was a time when pharmacists often were called "Doc."

Doubtless it was a complimentary gesture.

Even in this late day, the pharmacist frequently is asked to diagnose and prescribe by his customers.

But like the shoemaker, we pharmacists stick to our own lasts. We neither diagnose nor prescribe. These health team functions fall within the special province of physicians both by law and professional training.

As a member of the health team, we are an intermediary, serving both the doctor and the patient. Our job is to compound your prescriptions carefully and promptly.

# Teacher "Bounced"; Goes On To Executive Heights

By CLAUDE ROSE  
COWLESVILLE, N. Y. (AP) — When Arline E. Seipel lost her elementary school teaching job because she got married, it was actually a stroke of luck.

During World War II she took a job with a small die-making firm and, with her artistic ability as a valuable asset, advanced rapidly.

**Top Official**  
Today she is president and general manager of the company, Austin Dies Inc., a \$100,000-a-year industry turning out dies for such firms as Sylvania and General Electric.

Myron G. Austin, owner of the company, gave Arline the credit for its continual growth. The plant has been enlarged eight times since 1950.

The school in which she was teaching had a rule against employing married teachers.

Now in addition to her executive duties, Arline cares for her family and manages a home next door to the plant.

Her husband, Hollen, is an engineer. They have two sons, William, 13, and Robert, 6.

**"Once Retired"**

She "retired" from the business for a short time after World War II but when Austin started a small shop of Eggertsville, another Buffalo suburb, he asked Arline to come back to work.

She was reluctant so Austin moved his shop next door to the Seipels to make it easier for her.

"That was in 1950," Austin explains, "and we haven't stopped growing since."

Big industrial concerns soon "discovered" Arline. When they found she could "talk dies" they

## Denounces Proposal

Dr. Frank Stanton, president of the Columbia Broadcasting System, testifies in Washington before Senate Commerce subcommittee considering a proposal that the TV industry be required by law to provide free time to presidential candidates.

Stanton denounced the proposal, but said CBS is willing to grant time to candidates in the 1960 election. (AP Wirephoto)

Stanton now bans gallon containers in Pennsylvania. It sets a retail minimum of 91 cents for two half-gallon containers.

Bergfeld testified for the Milk Distributors Assn. of Philadelphia, which is opposing County Maid's request. He said he based his figures on a survey of five Philadelphia dairies.

The Philadelphia dairies feel gallon jug sales would be beneficial to supermarkets at the expense of the dairies' home deliveries.

## GALLON SALES OF MILK WILL BE EXPENSIVE

PHILADELPHIA (AP) — Philadelphia dairies would have to spend more than one million dollars the first year if they started selling milk in gallon containers, according to a survey.

The president of a consulting firm said the initial outlay to convert to gallon sales would be \$700,000 for each dairy, and the annual operating costs would be \$323,000.

This would apply if 15 per cent of each dairy's milk was sold in gallon containers.

The testimony was given Tuesday before the Pennsylvania Milk Control Commission by A. J. Bergfeld, of Stevenson, Jordan and Harrison Inc.

**Holding Hearings**  
The commission is holding hearings on a request by County Maid Dairies, Inc., of Claymont, Del., for permission to sell milk in gallon jugs.

County Maid contends it can sell these containers for 85 cents and make a profit. The commission

started asking for her.

"Send Arline over. We've got a problem," they phone.

She's often asked how she can keep a home and an industry operating smoothly.

"It's part of my life," she says, "I don't know how I'd get along without it."

## New Merchandising Idea Widens U.S. Art Market

By CARL BELL  
PHOENIX, Ariz. (AP) — Now you can shop for original paintings in your own home.

Or, without moving from your easy chair, you can look at the works of American artists for pure pleasure, with no intention of buying.

Until recently, art had been presented and sold only through galleries. Most galleries are in large cities, and the market has been restricted further because a painting may be shown in only one gallery at a time.

**New Group**  
But a new organization of painters—America's Artists in Particular, with headquarters in Phoenix—is using a modern merchandising method which makes it possible for a painting to be seen anywhere at any time.

**On Loan Basis**  
Artists in Particular offers buyers' works to the general public on loan basis. A study of the slides or projections of the slides, along with accompanying descriptive material and price lists, gives a prospective buyer almost the advantage of seeing the originals in a gallery.

**Mail Purchase**  
An original, when selected, may be purchased by mail.

On a screen—or even a flat wall—projections of the slides look amazingly like original paintings, and may be enlarged for even more detailed study.

Slides also may be studied through a viewer without the necessity of a projector.

A collection of 25 to 50 slides may be ordered for one dollar, to cover handling and mailing expense. Member artists seek to make money from the sale of originals, not from the slide collections, which must be returned.

The operation of Artists in Particular is applauded by artists, collectors and gallery owners alike.

"I am excited about this new opportunity to show my work in all regions of America," says Mark Coomer.

**A BIGGER CHANCE**  
PHILADELPHIA (AP) — "We've made a lot of changes that should be for the better this year," Eddie Sawyer said during spring training. The day before the season opened in Philadelphia, Sawyer resigned as manager of the Phillies. He was replaced by Gene Mauch, 34, who had managed Minneapolis the last two seasons.

**MORE TIGER POWER**  
DETROIT (AP) — The deal which sent Rocky Colavito to the Detroit Tigers figures to give the Bengals 40 more runs batted in this season, if one can use 1959 as a yardstick. Colavito drove in 111 runs. Harvey Kuenn, who is now with Cleveland, drove in 71 runs for Detroit in 1959.

Kuenn, however, won the American League batting title

with .353 to Colavito's .257 and has a better "on base" average. Kuenn reached the bases 248 times in 139 games last year. Colavito got on 224 times in 154 games. In runs, Kuenn accounted for 161, two more than Colavito. In total bases, including hits, walks, hit by pitcher and steals, Colavito leads Kuenn, 377 to 338.

More women than men came to the U.S. as immigrants (481,000 vs 421,000) in the last three years, but more men than women migrated from the U. S. to other countries.

**WORKHOUSE PITCHERS**  
MILWAUKEE (AP) — In 1948, Warren Spahn and Johnny Sain pitched a total of 572 innings as the Boston Braves won the National League pennant. Last year when the Braves tied Los Angeles only to lose the two-game playoff, Spahn and Lew Burdette had pitched a total of 582 innings during the season.

## Nixon Won't Surrender Rights Of Free People

By JACK BELL  
SYRACUSE, N. Y. (AP) — Vice President Richard M. Nixon is laying the groundwork to ask the voters to elect him president as the man best qualified to deal firmly with Nikita Khrushchev.

Nixon reacted swiftly to the collapse of the summit conference on a brief campaign excursion into New York. With hopes dimmed for early progress toward peace, he clothed himself in the armor of an aggressive champion of the free world.

The vice president told a cheering crowd at a dinner in honor of Rep. John Taber (R-NY) in Auburn Tuesday night that the country is going to need not only strong and determined leadership in the presidency but moral and economic stamina on the part of the people.

"Won't Surrender"  
Nixon left no doubt he thinks he is just the man to take on Khrushchev, an antagonist he said would test the best the West has to offer.

"I know this man reasonably well," he said. "He is very astute. He is quick on the trigger. He thinks things through coolly and objectively and more often than not he uses his temper rather than loses it."

The way to deal with the Soviet Premier, Nixon said, is to "make

it clear that surrender of the rights of the free people is too high a price to pay for a settlement with the Soviet Union."

Nixon said Khrushchev has problems of his own. He said these may include pressure from Soviet Stalinists and Chinese Communists who want no relaxation of world tensions.

"He also knows the catastrophe that might come if he presses the West to the point of no return," Nixon added.

In a day in which he traveled, acted, and was greeted like a candidate already nominated by his party for the presidency, Nixon defended on every possible occasion Eisenhower's role in the long-heralded summit meeting that flopped.

PITTSBURGH (AP)—Some 400 delegates Wednesday opened the 37th annual convention of the Pennsylvania Society for Crippled Children and Adults, Inc.

The 3-day session will be devoted to workshops and business sessions for long-range plans to help the handicapped children.

YORK SPRINGS — The Rev. Norman L. Bortner, pastor of the York Springs Lutheran Parish,

who recently tendered his resignation to the parish, will preach his farewell sermon this Sunday. Rev. Bortner will be available for emergency pastoral calls until the end of May.

A "white elephant" sale for missions was held Friday evening at the home of Mrs. Iva Jarvis, York Springs, during the regular monthly meeting of York Springs Church of God Missionary Society. Thirteen members were present.

Mrs. Nellie Lerew, spiritual advisor, was in charge of the devotions with Mrs. Jack Heebner reading the scripture and Mrs. George Howe leading in prayer. The president, Mrs. Clyde Mansberger, presided with the business session. The society planned to send \$50 for the new work in Japan, \$50 to a Bible School in

Korea, \$25 as a memorial for Harvey Miller, and \$25 for the Boyertown District camp ground repairs. The offering of the evening was \$3.33 and sales amounted to \$12.95. The meeting closed with prayer by Rev. Donald Roemer. The next meeting will be held on June 3 at the home of Mrs. Carl Thompson, Gettysburg.

The Latimore WCTU regular monthly meeting will be held Monday evening, May 23, at 8 o'clock at the home of Mrs. Mildred Dear-dorf, Bermudian.

The York Springs Boy Scout Troop 89 will hold a court of honor Friday at 8 p.m. at the Scout Cabin. John Peters will be the speaker. The public is invited.

The seniors of the Bermudian Springs High School, York Springs unit, left Monday evening on their

senior trip to New York City and the Thousand Islands.

Mrs. Lester Starnes and daughter, Dorale, and Betty Kimel attended a special Mother's Day program at Valley Forge Military Academy where Mrs. Starnes' son, Ross, is a student. Each mother was given a white orchid by her son prior to the program. There were 5,000 present at the program. Ross was a student at York Springs before entering Valley Forge Academy.

**Form Scout Auxiliary**  
A meeting of mothers of Boy Scouts and wives of Scouters was held by the Scoutmaster, Melvin Prosser, recently at the Scout cabin for the purpose of organizing an auxiliary. Paul Leese, a Scoutmaster of Hanover, was present

and gave information on organizing an auxiliary and how it functions. It is a new idea in Scouting and promises much good for the boys, plus a family spirit that is often lacking in the Boy Scout program. The following were elected: President, Mrs. Baird Hershey; vice president, Mrs. Clair Bricker; secretary-treasurer, Mrs. Roy Williams; reporter, Mrs. Virginia Hinkle.

Harry Trostle and his sister, Mrs. Elsie Hoffman, accompanied Mr. Trostle's grandson to services at St. Mark's Lutheran Church, Hanover, on Sunday. Mr. Golden is musical director at the church.

**4-H Club Meets**  
The regular meeting of the York Springs 4-H Community Club was recently held in the elementary

school auditorium. The meeting was called to order by the president, Martha Hikes. During the business session the following committees were appointed: Community service, chairman, Darlene Wagner, Jimmy Leer, Courtney Bolger and Teresa Hopper; ways and means, chairman, Paul Middour, Parker Lerew, Betty De Haven, Rita Hopper. Reports were given by Mrs. Paul Middour on the "Requirements for Club Awards" and Patsy Chorley on the "4-H Senate." It was decided that the club would be host to the 4-H Senate on July 7. Following the business session the group was divided into two discussion groups. One was under the direction of Raymond Leer on "Swine Feeding" and the other by Mrs.

Paul Middour on "Vegetable and Flower Gardening, Field Tomatoes and Insect Projects." The group taking the insect projects made killing jars for killing insects that are to be mounted for display. It was announced an officers' training meeting for all officers of the club will be held Friday at 8 p.m. at the courthouse in Gettysburg on May 24 and a 4-H Senate meeting at 7 o'clock in the courthouse. This is a special meeting called to select Adams County delegates who will attend the leadership school and Pennsylvania 4-H Congress to be held at the State University in June. A 4-H vesper service will be held at the Peace Light Memorial June 12 at 8 o'clock. All members, families and friends are urged to attend.

## LAWYER SAYS HIS FPC TALKS WERE ALL OKAY

WASHINGTON (AP) — Attorney Thomas G. Corcoran told House investigators Wednesday that his off-the-record talks with the Federal Power Commission were in full conformity with FPC regulations.

Breaking an almost two-month silence on the talks, Corcoran, confidential adviser to the late President Franklin D. Roosevelt, swore that his visits to three FPC members during a 52-million-dollar pipeline case were not secret.

"They were carried out publicly on the commission's premises, in the commission's offices. Every commissioner knew of my visit to each other commissioner," Corcoran said.

Corcoran, whose private talks touched off a congressional inquiry into whether improper influence has been exerted on the FPC, testified before the House

Legislative Oversight subcommittee.

**Contacted Three Members**  
Corcoran contacted the three FPC members just before the commission granted a Corcoran client permission last Oct. 31 to import gas from Canada.

For seven days the subcommittee has been questioning FPC members about Corcoran's off-the-record chats with three commission members.

FPC Chairman Jerome K. Kuykendall has testified that he considered a telephone call from Corcoran last October improper. Other commissioners have said they had to caution Corcoran against improper discussion of cases pending before the FPC.

Corcoran is general counsel for the Tennessee Gas Transmission Co. That firm owns Midwestern Gas Transmission Co., which the FPC authorized in that case to import gas from Canada.

Women spent more than \$1 billion in beauty salons in 1958. To gain their share of the beauty market, perfume and cosmetic advertisers last year invested over \$12 million in national newspaper advertising.

## PRESIDENT IS INSULTED BY RED CHINESE

TOKYO (AP) — Communist China, believed to have played a behind-the-scenes part in wrecking the summit conference, have called President Eisenhower a warmonger.

Radio Peiping also said Vice President Richard M. Nixon used "the language of an aggressor" in defending U.S. espionage flights over the Soviet Union.

Nationalist China anxiously reported the Chinese Reds are moving a steady supply of war material to mainland areas close to the Nationalist-held off-shore islands.

Official sources said Communist jet fighters and bombers have been moved to within easy range of Formosa, President Chiang Kai-shek's stronghold.

There has been widespread speculation that Red China's leader, Mao Tse-tung, persuaded Soviet Premier Nikita Khrushchev to drop his soft line toward the West.

Khrushchev called off the last projected summit meeting in 1958 after he had been summoned by Mao to Peiping. The Chinese were angry at being left out of the conference, which was to have been held in the United Nations.

Shortly after this, Peiping launched its massive artillery assault on Quemoy, the Nationalist off-shore island, creating a crisis. The Nationalists reason the Chinese Reds may revive this assault in an effort to involve the United States in hostilities that would fall short of a major war. They then would seek to label the U.S. warmongers.

Liu Ning-yi, president of the All-China Federation of Trade Unions and a high Communist, declared: "U.S. imperialism, the most ravenous enemy of the people all over the world, will not easily give up its policy of war and aggression in its hostility to the people all over the world. Eisenhower is no 'peace messenger' but a warmonger."

## Artistic Couple Purchase Firehouse And End Search

SAN FRANCISCO (AP) — The auctioneer said "Going, going, gone" and Mark and Beth Adams found themselves with an old firehouse.

And it was just what they wanted.

"For five years my wife and I have looked for a studio big enough for both of us," says Adams. "Now we've found it."

Adams, a tapestry designer, is the son of Earl Adams of Fort Plain, N. Y.

**Father Was Fireman**  
"My father was the chief of a volunteer fire department back in Fort Plain," Adams says. "I can remember very well setting out his boots when the fire bell rang in the middle of the night."

Adams, 33, and his wife, an artist, explained they needed a lot of room for studio purposes and the old firehouse was perfect.

The couple, the only bidder at the city hall auction, offered \$7,500 for the two-story frame building on a lot 25 feet by 117 feet.

The old firehouse is in a quiet residential neighborhood on Castro Hill, just east of the famed Twin Peaks.

**Built For \$16,000**  
built at a cost of \$16,000 four years after the city's quake and fire, when he pulled the fire engines.

Adams will use the building's former stable as his studio.

"The reason I need so much space is because my tapestry drawings must be made full size for the weavers in France to work from," Adams explains.

**Will Keep Poles**  
The firemen's former dormitory, nearly 85 feet square, will be the Adams' living room and

they will install a kitchen on the second floor, reached by a corkscrew iron staircase.

Three stall showers are in working order and there are two brass fire poles.

"We will keep the poles," says Mrs. Adams. "But not to slide down on, just to hang lights on."

**FAN HAD NO PAIN**  
TOLEDO, Ohio (AP) — Carl Fassler of Toledo went to a University of Toledo basketball game and while getting out of his car, he twisted his ankle. He refused to go home and sat through the game, wet trousers, leg, swollen ankle and all, to cheer his team.

**OVERTIME CHAMPS**  
BOULDER, Colo. (AP) — Colorado's basketball Buffaloes didn't win any championships last season, but they think they gained some distinction just the same.

## Woman Makes A Decisive Move On School Problem

SOUTH BEND, Ind. (AP) — If you want something done, it's sometimes faster to do it yourself—even if it means opening your own school.

That's exactly what Mrs. Leon Bernard did. She wasn't satisfied with merely supporting the school building program, promoting bond issues and going to PTA meetings. Mrs. Bernard, mother of five children, opened the Mary Reid Cleland school—named for her grandmother—in 1958. It is unusual for its large teaching staff and small classes. Second and third grades were added this year to kindergarten and first.

**No Backing**  
Mrs. Bernard had neither financial backing nor capital when she started out to create an independent elementary school in which each child would receive she says, "maximum individual attention and the opportunity to develop fully his own intellectual capacity."

She acquired a modest eight-room house and went to work to staff it with well qualified, experienced teachers.

The school now has a staff of nine teachers who can teach the three R's, French, dramatics, art, literature, science and music.

**Three Advisors**  
The neophyte school boasts a board of academic advisors composed of Arnold Ross, head of the Notre Dame mathematics department; Marshall Smelser, professor of history at Notre Dame; and Robert Leader, associate professor of art at Notre Dame.

Mrs. Bernard is proud of the curriculum. "We combine traditional emphasis on fundamental academic learning with the best of new ideas in education," she says. "We follow what is prescribed for elementary grades by the Secondary Education Board."

The large staff and limited enrollment of 20 children in each classroom permits a high degree of flexibility in following the dictates of the board.

**Husband Helps**  
One of Mrs. Bernard's most enthusiastic supporters is her husband, a history professor at Notre Dame.

band, a history professor at Notre Dame.

"It's a wonderfully satisfying, genuinely interesting undertaking," Dr. Bernard says, "but no one should attempt starting a school for the purpose of earning a living. Any money that is over and above what is needed to run the school is put right back into equipment. A school must keep improving."

The Cleland School is non-denominational and meets all state requirements for accreditation. It will move to new quarters when additional grades are added.

Two of the five Bernard children attend the school. Anne is in the second grade and Betsy is in kindergarten.

### York Springs

YORK SPRINGS—Mr. and Mrs. Andrew Martin visited Valley Forge and Longwood Gardens, Kennett Square, with a bus tour on Sunday.

John E. Brough Jr. was admitted to the Polyclinic Hospital, Harrisburg, Saturday night and submitted to an emergency appendectomy. His condition is satisfactory. Mr. Brough was scheduled to fly to California Sunday morning.

A large locust tree on the former Norman King farm was struck by lightning during the storm Tuesday night.

A meeting of the teachers of the York Springs Community Daily Vacation Bible School will be held in the Methodist Church Sunday at 8 p.m.

The mothers' and daughters' banquet of the York Springs Lutheran Church held Saturday night in the York Springs fire hall. The men of the church prepared and served the meal to 115 ladies, which was served family style. Talks were given by Rev. Norman L. Bortner, pastor, and the student pastor, Rev. Richard VanWickhouse. Group singing was led by Mrs. Norman Bortner. Prizes were given as follows: Oldest

**THEY KNOW THEIR CHICKENS**

KNOXVILLE, Tenn. (AP) — At Oklahoma State University, the students almost can count their chickens before they hatch.

In a recent Southern poultry judging contest, OSU students

racked up 4,092 of a possible 4,500 points to take team honors over teams from eight other colleges and universities. The OSU judges won six of eight individual and team classifications.

**HIGH GARBAGE BILL**

ST. PAUL, Minn. (AP)—Minnesota highway department officials say it cost a quarter million dollars to pick up trash dumped along the state's trunk highways in 1959.
